5. Report on Sunday Schools was read by Rev. Frank Ellis in the absence of Mr. Harold Ellis, Sunday School Superintendent.

SUNDAY SCHOOL REPORT

Do you realize that approximately 25% of the enrollment of our Sunday Schools are absent each Sunday?

The Sunday School is the agency of the church whereby we should enroll the people, teach the people, and enlist the people in Christian service. Why are our people not in church on Sunday morning?

Your associational Sunday School workers have tried to promote the theme "Outreach for the Unreached" during the past year. In doing this we have tried to encourage our churches to move up a little closer to the Lord through greater visitational efforts, more training, and a greater dedication that will fill each heart with the motivation power of love.

We can have the kind of Sunday Schools we want and need if we are willing to pay the price. The things we are concerned about, we pray about. The Holy Spirit is ready to supply the leadership when we ask sincerely.

We are grateful for the good reports we heard at our Sunday School Convention of Souls being saved and all the plans already made that God might be glorified through the work of the Sunday School in the new year ahead.

May God help us to become concerned enough to use our opportunities while we still have time.

Respectfully submitted,
Harold H. Ellis
Associational S. S. Supt.

This report was adopted.

6. Report of Training Union was given orally by Rev. Neils Larson, Associational Training Union Director. To submit written report later.

7. Report of W. M. U. read by Mrs. M. W. Blanton, Associational W. M. U. President.

REPORT OF WOMAN'S MISSIONARY UNION

The very name of Woman's Missionary Society defines its purpose — missions. The first W. M. U. was organized in 1888 with this purpose, and it still holds today. We seek through the Woman's Missionary Union to have a program of Missionary Education in our churches to promote Christian missions through Mission Study, Prayer, Community Missions, Stewardship and Missionary Education of our Young People.

In our association, we have 38 churches — only 13 of these have any missionary organization at all. But during this past year two new ones have been organized —one at Silver Chapel and one at Berry Chapel. We have 4 churches that have full graded W. M. U.'s — Bakersville, Grassy Creek, Central and Spruce Pine, First.

This year Spruce Pine, First has been recognized as having one of the few Honor W. M. U.'s in the state, and Spruce Pine, Central has an Advanced W. M. U., and Grassy Creek has an approved.

The W. M. U. promotes offerings over and above the tithe through the special "love offerings" each quarter. The offering for Foreign Missions, honoring Miss Lottie Moon was $3,368.10 this year, an increase over last year. The state missions or Heck-Jones offering was $324.00 and the Annie Armstrong offering used for Home Missions $906.39.

Our annual meeting was held in the Bakersville Baptist Church with 10 churches represented and approximately 100 people registering. The missionary speaker was Miss Lorene Tilford, one of our Missionaries from Taichung, Taiwan. Miss Mirian Robinson, Executive Secretary of the N. C. State W. M. U. was also a guest speaker.

Our annual meeting will be held at the First Baptist Church, Spruce Pine, April 24, 1962.

The watchword for this year — "For the love of Christ constraineth us." Let us keep these words of Paul in our minds as we witness with our time, talents and money. Telling people how to be saved is the business of all Christians. Overseas we call it Missions, in our homeland we call it evangelism and in our churches we call it soul-winning. A christian impelled by the love of Christ can do no less than to obey Christ's command to "Go ye therefore —".

Respectfully submitted,
Mrs. Marcus W. Blanton
Assoc. W. M. U. President

This report adopted.

8. The report of the Brotherhood was read by Rev. Howard Buchanan, Associational Brotherhood President.

REPORT OF BROTHERHOOD

The Brotherhood department is committed to the task of seeking to enlist the men of our Baptist Churches to the Baptist program of world missions. The programs they present are designed to inform men about the mission of the church and to inspire them to dedicate their time, abilities, possessions and influence to Christ for the accomplishing of this mission. The four major activities through which the Brotherhood functions are Royal Ambassador, Christian Witnessing, Personal Stewardship, and World Missions.

The state-wide Brotherhood convention and the Associational Brotherhood organization offers its services to the local churches. Free materials on methods and programs are available from the Brotherhood department. Priced materials may be ordered from the Baptist Book stores.

Respectfully submitted,
Howard Buchanan
Association President

This report was adopted.

9. Appointment of Committees: Resolution: Rev. J. Astor Buchanan, Rev. Frank Ellis and Rev. John Cann. Time, Place and Preacher: Rev. Howard Buchanan, Rev. Homer Murdock and Rev. Bruce Buchanan.

10. Rev. Joe Pittman announced the Associational School of Missions to be held August 21 through August 25. The churches taking part in this: Bakersville, Bear Creek, Berry Chapel, Spruce Pine, Central, Spruce Pine, First, Grassy Creek, Ledger, Roan Mountain, Pine Branch, Snow Hill and Crossnore Church in the Avery Association.

11. Special prayer for the Nation and for the world led by Rev. Lloyd Gosnell.

12. The report of Foreign Missions was read by Rev. John Cann.

FOREIGN MISSIONS

Advance in foreign missions calls for sending and maintaining an enlarging missionary staff and cultivation of all types of work on mission fields. The program of Foreign Missions is defined in the great commission.

With the appointment of 137 new missionaries in 1960, a new high peak of missionary expansion was reached. At the beginning of 1961 there were 1,480 missionaries under appointment for service in 45 countries. Continuing support through prayer, missions giving, and life dedication gave much reason for encouragement throughout the year, and a feeling of confidence as the future is faced.

The objective of the Foreign Mission Board is to have under appointment by the close of 1964 a minimum of 2,000 missionaries. The objective for 1961 is to appoint 160 additional missionaries.

The appointment of an enlarging missionary staff automatically calls for expanding the operating budget and enlarging provisions for capital needs. With the appointment of 160 additional missionaries in 1961, the missionary section of the operating budget for 1962 will need to be expanded $700,000 and necessary increases for programs of work will call for an additional $400,000.

In financing the work of foreign missions, there are three main divisions of responsibility. First, the missionaries must be sent and supported. Second, funds must be provided to develop existing programs of work on mission fields. Third, resources must be made available for capital needs. The importance of buildings for churches, schools, hospitals, seminaries, publishing houses, good will centers, and missionary residences cannot be overstated.

The Foreign Mission Board makes appropriations for objects which have been recommended by the mission fields after very careful study, prayer and agreement. On this basis the funds used for missions work enable those projects to be undertaken which the missionaries and national leaders consider to be most urgent in their respective fields.

Advance in missionary personnel and advance in financial reinforcement must proceed in parallel lines. God continues to move the hearts of many people to volunteer for missionary service. It seems clear that His leadership is being given in the enlarging of the missionary staff for major effort throughout the world.

The urgency of the missionary task across the world increases

each day. We must bring to this enterprise not only resources in terms of lives and money but increasing spiritual power through prayer and faith. Work must be extended into many lands we have not yet entered and work which has begun in many fields we are now serving must be strengthened and expanded.

The Foreign Mission Board looks to the Cooperative Program and the Lottie Moon Christmas Offering for financial resources for world-wide missionary labor. May God grant an increasing liberality in missions giving to the end that the type of missionary labor our Lord is expecting in this day can become a reality.

Respectfully submitted,
John M. Cann

23. Report on Christian Education by Rev. Joe Pittman.

REPORT ON CHRISTIAN EDUCATION

Christian Education is imperative to our society. Jesus said "you shall know the truth and the truth shall make you free". When we study our new testaments we readily see that Jesus spent more time teaching than any other phase of His ministry. He went about Judea, teaching in their synagogues. In Matt. 5: 1-2 we read "and seeing the multitudes, He went up into a mountain, and when He was set, his disciples came unto Him, and He opened His mouth, and taught them."

Baptist people believe that Christian education includes the whole of man. We believe that it is our business not just to educate a man or woman how to make a living but how to live. Therefore, North Carolina Baptists own and operate seven colleges to teach and train young men and women, whether their vocation

is what we term secular or sacred, to go out and permeate society with Christian doctrine and principles.

Last year there were more than 8,000 regular students enrolled in our Baptist colleges, with another 2,000 who did special work and come for summer school. Two-thirds of these are Baptist young people and the other third young people of other denominations. At the present 275 of these students are ministerial students, with another 327 who are preparing for other church vocations.

The convention has adopted a program of advance for the next three years. That beginning January 1962, we urge our churches to increase their Cooperative Program gifts at least 35% during the years 1962, 1963 and 1964, with the understanding that all undesignated cooperative program money received by the convention go to our colleges.

Let us ever remind ourself that a trained Christian leadership as well as a membership alert and informed in Baptist principle is necessary if our churches and denominations are to grow and prosper in the work of our Lord.

Joe Pittman

24. The report on Fruitland Bible Institute was made by Rev. Frank Ellis.

REPORT OF FRUITLAND BIBLE INSTITUTE

Fruitland Baptist Bible Institute traces its beginning to a school started by Dr. J. C. Canipe at the First Baptist Church Boone, N. C. for preachers in that area. In 1945 the Baptist State Convention of North Carolina purchased the Fruitland School property from the Home Mission Board, and in 1946 it was formally opened with 46 students enrolled, and Dr. Canipe as director. He served until his retirement in the spring of 1960. He was succeeded by Rev. Fritz D. Hemphill who came July 1, 1960. The enrollment of the school has shown a steady increase until some 150 men are enrolled each year. This is about the capacity of the present facilities.

The school is owned by the Baptist State Convention of North Carolina, and operated through its mission committee of the General Board. Funds for its operation comes directly from gifts through the Cooperative Program, and by special offerings on Christian Education day, or through special offerings for State Missions. General oversight of the work is committed to a special committee of the Missions Committee of the General Board. The direct operation of the school is in the hands of the director who carries on the work within the framework of the policies set up by the General Board of the Baptist Convention.

The school is located in the community of Fruitland some 7 miles east of Hendersonville just off Highway 64. There are three main buildings on the twenty acre campus. These are the Justice Classroom Building, the Sullinger Dormitory and the Directors Home. In addition there are seven other buildings used in the summer during the camp weeks.

Fruitland was established and continues to be maintained to provide God-called men who have answered the call late, an opportunity to prepare themselves for the most important task in all the world. The Bible is given to help students develop their talents, right attitudes, and a spirit of cooperation with others and the denomination. The courses of study are designed to better equip men to be good stewards of the manifold grace of God, rightly dividing the world of truth.

25. An oral report on Christian Literature was given by Mr. R. B. Phillips. Rev. C. W. Bazemore of the Biblical Recorder discussed this report.

26. The report of the Children's Homes was given by Rev. Joe Sprinkle.

REPORT ON CHILDREN'S HOMES

Following the War Between the States (1860-1865) North Carolina Baptists became increasingly aware of the need of providing care for homeless children a need that war made increasingly apparent by the large number of children left fatherless by the loss of soldiers lives.

This need found an ardent champion in the person of John Haynes Mills who presented the cause throughout the state in his travels and writings, as editor of the Biblical Recorder during the early years of reconstruction.

By 1883 other interested persons had joined Mr. Mills in bringing the matter before most of the associations in the state, and on Nov. 15, 1884, the North Carolina Baptist Orphanage Association was formed in Raleigh.

Mr. Mills was elected first General Manager of the orphanage, Thomasville was selected as its site, and the first child was admitted in November 1885.

Kennedy Home at Kinston was opened in 1914 following the gift of a 1,200 acre plantation by Mr. and Mrs. W. L. Kennedy to the Thomasville Baptist Orphanage for the purpose of establishing a home for orphan children.

Since January 1958 North Carolina Baptists have operated Odum home for Indian children at Pembroke. This work was started in 1942 and supported by the Burnt Swamp (Indian) and Robeson Baptist associations until North Carolina Baptists assumed responsibility.

In addition to these homes there are 125 children placed in foster homes throughout the state. We thank God for these homes, a Christian agency which is providing love and care for more than 800 deserving boys and girls annually.

Your child care ministry is child centered, Christ centered and church centered. It is based upon the redemptive plan of God. These children have lost their parents through a number of ways. Workers use all the skills available, plus the help of God, to establish in these children trust in adults, trust in self and trust in God.

It became necessary during the past year to reduce the num-

ber of children in foster home care by 35 boys and girls. At one time we were caring for 162 children in foster homes. We now have 127. This trend can be changed only as we have additional funds. Many types of service to children in need are being delayed for lack of money.

Our financial support for this year has come from the following sources:

Thanksgiving offering, 33%.
Cooperative program, 32%.
Once a month offerings, 18%.
Special Gifts and Endowment 17%.

The churches in our association contributed $458.58 once a month offering and $2,556.96 in our thanksgiving offering. A total of $3,015.54.

Members of the Board of Trustees, members of the staff and our boys and girls wish to thank you for your generous support. You have given these children love, food, clothing, shelter, schooling, medical care, recreation, guidance, music and hundreds of other benefits.

One third of our support comes at Thanksgiving time. The Thanksgiving offering goal for 1961 is $400,000.00. Help this to become a reality!

You may stay informed about the child care program throughout the year by reading Charity and Children. This newspaper is published each week by the Baptist Children's Homes. It is now in its 75th year and circulation is higher than ever before — well over 52,000. Every family in every church should receive this Christian newspaper. Last year the number of Charity and Children received in our association was 104. The number suggested 1,303. Let us go forth in this coming year with renewed dedication to provide the funds necessary that our child care ministry may continue even on a larger scale.

Rev. Joe Sprinkle

27. The following report on the Baptist Hospital was made by Rev. Lee Ayers.

REPORT ON NORTH CAROLINA BAPTIST HOSPITAL

Our Baptist Hospital continues to try to serve our people in the fullest measure possible. Last year it provided its largest number of days of hospital care and saw the largest number of patients in the Clinics — 78,000 visits to the Out-Patient Clinics, from 96 of the 100 counties in the State, and 75,000 Private Clinic visits.

The New Progressive Care Unit was opened in March, providing 80 beds for patients who do not require the more expensive and intensive care of the regular hospital. This is a new and advanced step in hospitalization and patients are highly pleased with it. The Hospital's one regret is that at the present time it does not have money necessary to open it to Service Patients.

A new type of unit for the sterilization of surgical and other

equipment by gas was recently installed. This is more effective than the older methods used in the fight against infection, which is a constant problem in all hospitals. In the X-Ray Department a rapid film developer is now in use which greatly speeds the preparation of x-ray films.

One of the most recent additions is a Pastors' Library given by Mrs. Walter M. Williams of Burlington in memory of her noble Christian husband. All pastors and others are invited to ask about this excellent collection of religious books and to use it when they visit the Hospital.

Among the many needs at our Baptist Hospital, there are some which are acute. One of the most pressing needs is a building to provide classrooms and other facilities for the eight schools operated by the Hospital. These schools are training urgently needed medical personnel and Christian workers in addition to doctors. They are badly limited and handicapped for lack of room.

The need for enlargement of the overcrowded and seriously limited Out-Patient Department, Children's Center, and Psychiatry section of the Hospital is urgent. The need is far beyond the present facilities in each of these departments.

The constant need for Mother's Day Funds for helping Service Patients bear the cost of their hospitalization grows more and more acute. We cannot emphasize too strongly the importance of this Fund and the need for our churches greatly to enlarge their Mother's Day Offerings.

A new opportunity to help meet this need is now open in the Service Patient Endowment Fund. This is a permanent endowment invested by the Hospital's Trustees with all of its proceeds being used for the help of Service Patients. Gifts in any amount can be made at any time. A gift can be made in one's own name, in memory of a friend, as a memorial to a loved one, or the Endowment can be placed in one's will. All gifts will be gratefully received, appropriately acknowledged, and a permanent record kept of each one. We hope you will think and pray about this and that many will take advantage of this opportunity.

Total gifts to the Hospital through the Mothers Day offering that have been received by June 30, 1961, from Mitchell County Baptist Churches was $2,624.61. Let us work and pray for a greater and more effective ministry to the sick through our hospital for the coming year.

Lee Ayers

REPORT ON NORTH CAROLINA BAPTIST HOMES FOR THE AGING

(Suggested Associational Report for 1961)

How thrilling it is to minister to the aging in our midst! North Carolina Baptists can be justly grateful for their Christian ministry to 125 residents in their three Homes — Resthaven and the Hayes Home in Winston-Salem, and the Albemarle Home in Albemarle.

With 130 people waiting for admission at the present time, lack of rooms is one of our most acute problems. North Carolina Baptists, however, are definitely doing something about this situation. The Hamilton Home, now under construction in Martin County, is proof-positive. This our fourth Home, will provide for 30 additional residents. It is hoped that the Hamilton Home will be ready for occupancy no later than the first of January, 1962. A debt of $275,000.00 has been assumed on this Home, and for the purpose of completing the liquidation of the indebtedness on the new infirmary at Winston-Salem. There is no further expansion of desperately needed additional facilities anticipated until the major portion of this debt is paid. Special Day Offerings and gifts from the churches should, therefore, be increased greatly in order that we may go on in the great task which is ours, and that we might meet the ever-increasing demands of the aging among us as quickly as possible.

We are now in the eleventh year of operation, and the past year has been a great one and a good one. **Twenty-six** new residents have been received and are now finding happiness and peace, love and security, in their new home.

The Special Day Offerings and special gifts are running 5% ahead of last year's contributions, and we are profoundly grateful to each church and to each individual for the liberal support to the wonderful cause which we represent.

The appointment of Mr. C. O. Weaver of Greensboro, N. C., as Business Administrator of the Homes has proven to be one of the greatest blessings of the past year. This dedicated layman is serving with unusual ability and insight and is making a splendid contribution to the work.

35. The report on the American Bible Society was given by Rev. Robert E. Seatz.

AMERICAN BIBLE SOCIETY

The Bible is the essential tool of missions and evangelism. The Missionary uses it in all his work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can

stay on after he must leave — and keep on speaking to a person's heart. But we must remember, in most lands people cannot afford even the cost of printing the Scriptures.

The American Bible Society helps missionaries to translate the Bible. It publishes without note or comment and distributes without profit, usually below cost. In cases of special need, at home and abroad, Scriptures are given without charge. The Bible Society is an active partner of Southern Baptists and serves every form of Southern Baptist work around the world.

During 1960 the American Bible Society rejoiced that some part of the Bible has been published in 1165 languages, the full Bible in 221, a Testament in 277 more and a Gospel or other complete book in 667.

In 1960 Southern Baptist churches gave $151,626 to the American Bible Society. Methodist gifts led. Gifts from all churches in the U. S. A. totaled $1,001,768.

As we think of the spending for literature, we may ask the question; what are we spending our money for? May God help us to have a greater determination to help spread the gospel to far corners of the earth.

IN MEMORY

Rev. Julius Henline, 77, pastor and noted evangelist passed away from our company "to forever be with the Lord", on Thursday June 7, 1962. He was ordained as a Baptist minister July 10, 1921 at the request of Beaver Creek Missionary Baptist Church. From this date until his death — 41 years later, he was used of God in many places — fifty or more churches in Avery, Mitchell, Yancey and McDowell counties in North Carolina and Washington County, Tennessee, building new churches, serving as pastor to most and one of the most effective evangelists of our time and area. He also served as moderator for the Mitchell County Baptist Association for 19 years.

At the time of his death he was pastor of White Oak Baptist Church and Cane Creek Baptist Church. His membership was with the latter.

He was married to the former Miss Cordilea Buchanan, who survives, March 5, 1905. From this union there were 8 children, five daughter and three sons. Three daughters yet living, Ruth, Clara and Bell; two sons Paul and Walter.

Funeral services were conducted in the Bear Creek Baptist Church. Services were conducted by Reverend Paul Ledford, Rev. Dayton Jones and Rev. Joe Pittman.

Our loss is Heaven's gain. May God, yet in our day call men of such caliber to continue the great ministry of the Gospel of Christ our Lord.

16. In the absence of Mr. Walter Buchanan who was to give the report on STATE MISSIONS, time was granted to the committee appointed by the pastors conference and approved by the Executive Committee, to give the following report:

Some several months ago in pastor's conference our discussion led to the subject of having an Associational Missionary in our association. Many questions arose at that time concerning the cost, the duties of a missionary and the relation of our convention to our association and whether they would assist us if a program was found advisable. At that time the president of the pastor's conference appointed a committee of pastors to obtain information. This committee of pastors understood that their duty was only to obtain information and report. In the meantime similar thought had been going on in the Avery Association and feelers put out as to whether they could work together with Mitchell Association and obtain in this way a greater amount of assistance from the Baptist State Convention. For a period of time all work came to a halt. Then we found through various sources that our State convention was interested in helping us and would give us some assistance. A meeting was held in Bakersville with Dr. E. Spivey and Dr. Douglas Branch at which time they urged us to talk over plans with the Avery Association and apply for help for the two groups. Jointly a committee from Avery and the committee from our pastor's conference made application to our General Board and our application was approved. If we will work with Avery in the selection of a missionary the Baptist State Convention will aid us to the extent of $3,000 per year and have already appropriated $750 that could be used during October - November of this year should we decide to proceed. In order to get the idea of whether to have an Associational Missionary or not on the floor I would like to make the following motion:

1. Be it resolved that we the Mitchell Baptist Association, meeting in session August 16th in the Beaver Creek Baptist Church, accept the aid offered by the Baptist State Convention in promoting a Missionary program in our Associa-

tion and agree to work jointly with the Avery Association in this work.

2. That the moderator and/or the nominating committee appoint a missions committee to study the matter of duties and scope of the work for the Missionary and that said committee work with a similar committee appointed from the Avery Association.
3. That aforesaid committee work with the Avery committee and plan a budget of at least $6,000 — such budget to include salary, car expense, house, operating expense, etc.
4. That said Missions committee be empowered to find a man suitable to both groups and to report to the executive committee of our association before any final arrangements are made with said man.
5. That said Missions committee be instructed to adopt a set of working principles for the missionary and the program that will be a guide as to the type of work that should be done.
6. That a treasurer be elected by the Missions committee and approved by our executive committee jointly with the Avery committee who shall handle all funds for the Associational missions program.

Respectfully submitted,
Neils Larson
Paul Ledford
John Cann

This report was approved by the association.

17. The following officers were elected to serve as associational officers for the coming year.

Rev. R. M. Cassity — Moderator
Rev. Frank Ellis — Vice-Moderator
M. W. Blanton — Clerk and Treasurer
Rev. Bruce Buchanan — Historian.

18. A motion was made and carried that the minutes be published in memory of the Rev. Julius Henline who has passed away this year. Mr. Henline served as moderator for several years and as a pastor in the Association.

19. The report on Home Missions was given by Rev. Frank Ellis. This report was adopted.

20. The report on Foreign Missions was given by Rev. John M. Cann. This report was adopted.

21. The following report was given by the committee on Time, Place and Preachers:

First day: Spruce Pine, First
Sermon: Rev. Arthur Hoilman

22. Resolution:

Be it resolved, that we this 114th Mitchell County Baptist Association of 37 churches, at this time, rise to our feet, manifesting our heartfelt thanks to the wonderful pastor, the Rev. Ted Braswell, and to his fine people, this Beaver Creek Baptist Church, for their inviting so heartily this large Association into their Church, and sharing their Christian love and unselfish hospitality in their untiring efforts in setting those long and wide and full tables and feeding such an extra large gathering of people with such fine food, and so much of it, and so well prepared and displayed. And every one made to feel such a welcome, and how we all did eat and enjoy it.

Respectfully submitted,

REPORT ON SUNDAY SCHOOLS

We still have too many of our people absent each Sunday from church and Sunday School.

The Sunday School is a channel through which much creative thinking can be done, and proper decisions made which may influence the future life of many people.

A repetition of the theme — "Outreach for the Unreached" has not been exhausted yet.

We are grateful for the good reports we all heard at the Sunday School convention of the interest and suggestion on how to improve our Sunday School and church work.

May all of our churches and pastors find some way through cooperation to reach out and bring the lost in where the Bible is taught and the gospel is preached and the Holy Spirit will have an opportunity to convict and lead them to accept Christ and become evangelists to win others.

Let us not look back but press forward to higher grounds, for all our Sunday Schools.

May we become concerned enough to use our opportunities while we still have our freedom.

Respectfully submitted,
Frank B. Young,
Assoc. S. S. Supt.

THE TRAINING UNION REPORT

The Training Union theme this year has been: "Lengthen — and Strengthen". The Scripture reference: "Enlarge the place of thy tent, and let them stretch forth the curtains of thine habitations, spare not, lengthen the cord, and strengthen thy stakes". Isaiah 54: 2.

The highlights in our Training Union work this year were: Junior Memory work — 33 of our Juniors entered and most of these were winners in the state finals. Mass meetings — with attendance of over 200. Youth night — we had many young people expressing a desire to enter full time Christian work.

We are proud of our Training Union work, however we have done very little in comparison to what we should have done.

Let us pray that we shall do much more in the coming year to train Christians to be better and more useful Christians.

Also let us have as our aim a Training Union in every Church in our association.

Respectfully submitted,
Todd Woody, Director
Associational Training Union

REPORT ON WOMAN'S MISSIONARY UNION

The women in Mitchell County Baptist Association that are members of the WMU are only a very small portion of the cloud of witnesses around the world that are organized to spread the story of Christ to those that have not yet heard. But in united Christian witness there is great strength and we are proud to be a part of this effort, for there is much to do.

We have 12 churches in our association that have WMS organizations with 4 of these that have full graded WMU organizations. We have over 200 women enrolled and almost this many young people. Special weeks of prayer for our work — Foreign, Home and State have been held in the individual churches and our special offering for these have increased since last year. Study courses held before these periods of prayer have given a better understanding of the needs of our missionaries and the problems they face.

Just now the WMU of the Southern Baptist Convention is in preparation to observe the 75th Anniversary of organized WMU work in the convention. October 1, 1888 ten states organized into what is now known as the Woman's Missionary Union, Auxiliary to the Southern Baptist Convention. There are now 28 states with organized WMU work. July 18th this year to October 1st has been designated as period of Prayer for our work — praying in thanksgiving for the past — praying for the present — praying for the future.

Our annual meeting was held in the First Baptist Church, of Spruce Pine, April 24th, 1962. Our missionary speaker was Rev. John Poe, one of our missionaries from Brazil. Miss Kathryn Bullard, from our state office was also a speaker. Our next annual meeting will be held with the Grassy Creek church, the time to be announced later.

We ask for your continued prayers and support in enlisting more women in our association in this great effort. Our efforts will have a deeper meaning if we remember that time can run out. Each day there are people who have not heard the story of Christ is a day lost. We have an opportunity to share in the greatest task on earth, yet we are satisfied with so little.

"If my people, which are called by my name, shall humble themselves, and pray, and seek my face, — then will I hear from Heaven."

REPORT ON HOME MISSIONS

Southern Baptists mobilized for a Convention-wide ministry of relief and resettlement to the more than 100,000 Latin-American refugees in Miami, Fla., most of them from Cuba. Under the leadership of the Home Mission Board, states appointed committees which enlisted churches to aid resettlement of families. Churches gave $50,000 as a part of the Annie Armstrong Offering for Home Missions to be used in relief work.

By January 1, 1962, the 30,000 Movement goal was near the half-way point. C. C. Warren, director announced 14,210 missions and churches had been started. The goal for 1962 is 6,000; and this the year of church extension of the Baptist Jubilee Advance, found every agency and state convention with special plans and goals. The Brotherhood and the Home Mission Board joined forces in sending men to pioneer areas for revivals and other witnessing in order to start missions.

Cooperative Program receipts did not reach budget expectations. The Home Mission Board was not able to continue its "Big Cities" ministry, which alloted each year $100,000 for church and mission sites in one of the nation"s big cities. The Home Mission budget for 1961 was $4,425,000.

An increase by the government in military manpower also called more chaplains to active duty, including 25 Southern Baptist. There are 695 Southern Baptist chaplains in the military. Home missionaries are serving in all 50 states, Cuba, Panama, and the Canal Zone. These missionaries reported 54,899 professions of faith last year.

A review of the work emphasizes the role the Home Missions Board plays in meeting the changing and challenging needs of our America. Churches, through their state conventions, were rallied to meet unique needs, such as the Cuban refugee problem. The spotlight of publicity was turned on other unmet needs and ministries provided with which to meet them, such as the ineere city, migrants the deaf and literacy. At the same time, there was an emphasis on the long range, continuing missions and evangelism

programs which are the backbone of the churches attempt in home missions to win the United States, Cuba, and Panama to faith in Jesus Christ. These are evangelism and missions with language groups, National Baptist unchurched areas, the military, and other special groups.

Respectfully submitted,
Rev. Frank Ellis

FOREIGN MISSIONS

The Foreign Mission Board of our Southern Baptist Convention hopes to have a minimum of 2,000 missionaries under appointment by the close of 1964. One hundred and thirty three missionaries were appointed this past year raising the total now under appointment to 1,583 missionaries serving in 51 countries. The goal for appointments for the current year is 160 new missionaries.

One outstanding "First" stands out in the report of our Foreign Mission Board for this past year. This rests in the fact that a missionary couple has gone into India for the first time. Several couples have also gone into some of the Central American countries for the first time. This month The Board will be meeting at Glorietta to appoint several more missionaries to very strategic places of service.

Miss Sally Graham, of the Bakersville Baptist Church has been working this summer in Ethiopa, Africa as an "Operations Crossroads" student.

The appointment of an enlarging missionary staff automatically calls for expanding the operating budget and enlarging provisions for capital needs. Three main divisions of responsibility stand out as we seek to raise the budget to meet the need. First, the missionaries must be sent and supported. Second, funds must be provided to develop existing programs of work on mission fields. Third, resources must be made available for capital needs. The importance of buildings for churches, schools, hospitals, seminaries, publishing houses, good will centers, and missionary residences cannot be minimized.

Advance in missionary personnel and advance in financial reinforcement must proceed in parallel lines. God continues to move the hearts of many people to volunteer for missionary service. It seems clear that His leadership is being given in the enlarging of the missionary staff for major effort throughout the world.

The urgency of the missionary task across the world increases each day. We must bring to this enterprise not only resources in terms of lives and money but increasing spiritual power through prayer and faith. Work must be extended into many lands we have not yet entered and work which has begun in many fields we are now serving must be strengthened and expanded.

The Foreign Mission Board looks to the Cooperative Program and the Lottie Moon Christmas Offering for financial resources for world-wide missionary labor. May God grant an increasing liberality in missions giving to the end that the type of missionary labor our Lord is expecting in this day can become a reality.

John M. Cann

REPORT ON CHRISTIAN LITERATURE

Christian Literature could be defined as any reading matter that tends to develop Christian character in the reader. Any thought expressed in writing and read by others has a permanent effect on its readers, however minute it might be.

Some of the things that we might name that are current fallacies regarding reading matter. These same might apply to radio, TV, movies and other mediums of communication — are:

1. We can feed our minds and emotions on filth and still grow into fine persons.
2. That we are not effected by unclean entertainment.
3. Entertainment too unclean for children is suitable for adults.
4. Broadmindedness is the leading characteristic of education.
5. Realism is the key to good literature.
6. Science and mathematics are the most important parts of an education.
7. In the name of freedom of speech, books should not be censored.
8. Since a book is a best seller, it is worth reading.
9. One cannot enjoy recreation without participating in questionable amusement.
10. That it is the duty of a writer to find out what people want and give it to them.
11. Believing that nothing can be done about the type of literature that is being published.
12. People cannot choose much of their reading matter, if they desire.

Let us ever be aware of these dangers and seek that which is beneficial to us and to others.

Respectfully submitted,
R. B. Phillips

REPORT ON CHRISTIAN EDUCATION

North Carolina Baptist have deep convictions concerning Christian Education. Through the years the Baptist People have prayed and supported this institution of higher education. In the recent months there has been much discussion concerning our colleges. If there ever was a time when we needed to pray for these institutions it is now. Baptists believe it is not enough to train the minds of our young people in their vocation, but that we should plant principles in their life that will govern and motivate their lives.

Baptists of North Carolina are proud of their seven colleges. We realize that Christian Education is a must. We believe that all of our colleges are unique and that if we are to keep them that way they will remain strictly Christian.

May we as Baptists ever remember our responsibility to our colleges, pray for them, give to them adequate support and send them our young people.

Rev. Joe Pittman

REPORT ON BAPTIST HOSPITAL

The services of our Baptist Hospital are subject to heavy demands which grow heavier year by year. Last year the already overcrowded clinics of the Out-Patient Department received a new high of 83,000 visits from 96 counties of the state, sixteen other states, and two foreign countries. Two-thirds of these were by our Baptist people.

One of the most pressing needs is the enlargement of the facilities of the Out-Patient Department. Along with this is the urgent need for a building to provide adequate and unified facilties for the Hospital's eight schools for the training of skilled nurses, technicians, and other medical personnel, all of whom are in short supply and are essential to good medical care in our local hospitals and communities.

The new Progressive Care Center is attracting the attention of hospital authorities over the country. Patients have been most pleased with it. The trustees and administration greatly regret that the Hospital does not have sufficient funds to permit the admission of Service Patients to this fine facility.

The Pastors Library now contains well over 100 volumes among the best books in various fields of Christian thought and pastoral work. It can be of great value to pastors and they are invited to use it. It is located in the Medical School Library.

The care of Service Patients remains at the heart of the work of the Baptist Hospital. In cases where help will be needed on the hospital bill, it is extremely important that this be made known in advance and the arrangements be made when the patient is admitted to the Hospital. When appointments are requested for examinations it is necessary to let the Hospital know if the person needs to come through the Clinic, or if he will come as a private or full-pay patient. If a doctor is making the arrangements for a patient he should be told to make clear when he calls or writes if it is a Service or Clinic Patient. Mother's Day money cannot be used for Private Patients.

The Mother's Day Fund is the foundation of the financial aid given Service Patients. The Hospital tries to help the most needy cases as much as possible, but the funds have not been sufficient to give as much as is needed in many cases. In other cases of real need it has not been able to give any help, except the free services of the doctors and reduced rates on other items, such as X-rays, which consideration is given all Service Patients. **We must remember that the help given is limited by the Mother's Day gifts of our churches.**

The Hospital has prepared a full and attractive Information File Folder covering all of these matters in our relations with the Hospital. A copy is being mailed to all our pastors and associational missionaries. We urge you to acquaint yourself with this, keep it in your file and refer to it when questions arise and when arrangements are being made for patients to go to the Hospital.

Respectfully submitted,
Bruce Buchanan
Hospital Representative

REPORT OF HISTORIAN

The Mitchell County Baptist Association has had a long and fruitful history. The most of this history we are sorry to say was not recorded and kept.

The Association was organized October 5, 1849 at Double Island Church in Yancey County and named Roan Mountain Association. There were 18 churches represented, with a membership of 666 with 11 ordained preachers. The name of the Association was changed in 1884 to Mitchell County Baptist Association. In 1911 the name was changed to Roan-Grandfather Mountain Association. In 1912 the name was changed to the Roan Mountain Baptist Association again. In 1917 the name was changed again to Mitchell County Baptist Association. At the time the association was organized the outstanding preachers were Stephen Morgan, Stephen M. Collis, Moses Peterson and Leonard Buchanan. Rev. Stephen M. Greene served 25 years as moderator, longer than any other man.

Roan Mountain Church is the oldest church in the Association. It was organized sometime prior to 1829, the exact date is not known. Roan Mountain too has entertained the association more times than any other church.

The Mitchell Association has grown through the years under the leadership of God. Let us pray that the work we leave to our children may be as good or better than that was left to us.

Respectfully submitted,
Rev. Bruce Buchanan

REPORT OF THE ANNUITY BOARD

A total of $2,879,816 was paid in benefits by the Annuity Board of the Southern Baptist Convention during 1961. More than $2,654,222 of this went to approximately 4,500 ministers, denominational workers or their families who participated in one of the Board's retirement plans. The remaining amount was paid in relief benefits to 826 aged ministers and widows. During the Board's 43 years of operation, it has paid out benefits totaling more than $37,304,916.

Total membership in all plans of the Annuity Board was 23,214 on January 1, 1962. In 1961, 1,808 new members were enlisted in the Southern Baptist Protection Plan and 789 churches were enrolled. At the end of the year, 64% of the churches in the Convention were participating in the Board's program. In Institution Protection Program, for employees in colleges, hospitals, orphanages and other institutions of this type, enlisted 32 institutions in 1961. Five were new accounts. The others transferred from another plan to the new program.

The Annuity Board now has 14 field men working in 21 state conventions. Their programs of education and promotion is conducted through state and associational meetings, on college and seminary campuses, in local churches and through conferences with laymen and pastors.

Rev. R. M. Cassity

REPORT OF BAPTIST CHILDREN'S HOME

The Baptist Children's homes of North Carolina are in the business of growing men and women. The only material out of which men and women can be grown is boys and girls. Last year our homes served 848 and said no to 646 others. You helped say no to these children.

In Mitchell county there are 4,893 resident members of our Baptist churches. This 4,893 members last year gave to the children's homes a total of $3,451.00 or 70 and 7/10 cents per member. This is less than the cost of food for one day for a child.

If the resident church members of the Mitchell Association would undertake to give $5.00 each for the year 1962 and '63 our offering would rise from $3,451.00 to $24,465.00. I am making this plea to the pastors who are present, won't you undertake this year to get each member of your church to give at least $5.00. This isn't much, but, it will go a long way towards doing something for the hundreds of children that have no one to care for them.

Respectfully yours,
Rev. Ben L. Ray

REPORT OF AMERICAN BIBLE SOCIETY

The Bible is the essential tool of missions and evangelism. The missionary uses it in all his work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay on after he must leave — and keep on speaking to a person's heart.

If the **people of the world** are to know Jesus Christ the one hope of men and nations, they **must have the Bible. Each person must have the Bible in his own language,** because it speaks to his heart as no other language can speak.

The American Bible Society is an active partner of Southern Baptist. It serves mission work at home and abroad. It helps missionaries to translate the Bible, publishes without note or comment and distributes without profit, usually below cost. For the blind, it supplies scriptures in Braille and other raised-letter systems and on Talking Book records.

Because the Bible Society serves mission work — and Southern Baptist missionaries depend on the Society for Scriptures they need for their people — Southern Baptist churches believe in the missionary importance of giving to the American Bible Society.

In 1961 Southern Baptist Churches gave $164,342 to the American Bible Society. Methodist gifts were $163,593. Gifts from all churches in the USA totaled $1,065,649.

Southern Baptists can continue to lead — if every church will give. Gifts should be sent to the Baptist state office marked "for the American Bible Society."

Rev. Robert E. Seatz

4. Roll Call of Churches by the clerk, Marcus W. Blanton. The following visitors were recognized and welcomed: Rev. Guy Cain and Rev. D. P. McFarland.

5. The following report on Foreign Missions was given by Rev. Neils H. Larsen:

REPORT ON FOREIGN MISSIONS

I feel that I can do no better than to pass on to you information received from Dr. Baker J. Cauthen, executive Secretary of the Foreign Mission Board of our Southern Baptist Convention.

"One year from now we hope to report to the Convention 1800 missionaries under appointment. This is the primary objective toward which we have been working for fifteen years. At the

beginning of 1948 we had 625 missionaries in twenty-five countries. We now have missionaries under appointment to fifty-three countries and hope the number will be larger in another year.

What does our Lord expect of us as we reach 1,800 missionaries? Is it his will that we should relax and consider that we have done our part? We can be well assured that the population explosion will not cease. Each year millions of additional people will need to hear the message of salvation by grace. The problems they confront will increase and our sense of responsibility will grow.

It is evident our Lord expects of Southern Baptists a greatly accelerated missionary effort. His blessings upon our work at home give indication that a powerful missionary thrust must reach throughout the world. Many additional countries should be entered. Work in all fields must be strengthened. Opportunities for evangelism, unparalleled in missionary history, should be served. The greatest possible use should be made of mass communications including radio, television, and newspapers. Far more extensive use should be made of Christian publications. Large universities challenge us with thousands of students who need to know Christ.

We must keep in mind that three things are absolutely essential. First of all, there must be intercessory prayer. No amount of material resources or organization can bring to pass what only can be realized through the power of the Spirit of God. The cultivation of our prayer potential should stand before Southern Baptists as our primary concern for missions advance.

Second, there must be more people who will lay their lives upon the altar for long-range missionary service. We are grateful to God that in this present year there is a larger response for world-wide service than we have ever known. A great array of dedicated people are now in preparation for service in many lands.

Third, there must be adequate financial support. We believe it is our Lord's expectation that Southern Baptists should share liberally the gifts which God has caused his people to lay upon the altar. We are told that our total giving in 1962 amounted to more than $540,000,000. It would bring great blessing both to us and to the peoples of the world to whom we go if one tenth of this great sum of money should be used for work beyond the borders of our own country. Such sharing would more than double the present resources for foreign missions and would make possible sustained advance. This is a worthy objective to challenge our best efforts and prayers.

The story of redeeming grace must be told now. Our Lord has committed unto us the message of reconciliation. "How then shall they call on him in whom they have not believed? and how shall they believe in him of whom they have not heard? and how shall they hear without a preacher? and how shall they preach, except they be sent?"

(Romans 10:14-15a)

The latest figure received from the Foreign Mission board shows 1,725 missionaries under appointment to 53 countries. Let us work, pray and give that the goal of 1,800 may be reached soon.

Respectfully submitted,
Neils H. Larsen

This report was adopted.

6. The following report on State Missions by Rev. Homer Murdock was read by Rev. Astor Buchanan.

REPORT ON STATE MISSIONS

The function of the Director of this Division and the purpose of the Convention's mission program is best described in the analysis of the work by the committee of twenty-five which reported at the special session in 1959. It described this division's function as follows:

To survey and aid in the establishment of new mission points and new churches in North Carolina. This may involve the establishment of a loan fund and the training of leaders for this task. The 30,000 movement will be a vital part of this ministry through 1964.

Work with the Department of Church Development in studying and carrying out plans for the development of new and underdeveloped churches in the Convention.

Work with the associational missionaries in the task of strengthening the district association as a vital unit of our Baptist work. Special attention should be given to the development of literature, methods and suggestions that may be valuable to the missionary and officers of the associations.

Work with the director of Fruitland Bible Institute in the accomplishment of its purpose to help men who have been called to the ministry later in life or who, because of family or other responsibilities, have not been able to attend our regular Baptist colleges and seminaries.

Work with those who are seeking to minister to special groups such as:

The deaf people.

The correctional institutions and other institutions that may need chaplaincy service, such as Samarcand Industrial School for Girls and McCain Sanitorium.

Other institutions or special groups.

Work with the Department of Interracial Cooperation in creating good will and rendering possible help to our racial groups.

Participate in conferences, rallies and various district and State programs to inform and encourage our people in their support of our total Baptist work and in the conduct and promotion of schools of missions and schools for pastors.

The continuing story of the interpretation of these ministries and the identification of those who direct them will enable North Carolina Baptists to understand the scope and purpose of their Division of Missions.

7. The following report on Home Missions was made by Rev. Lee Ayers;

HOME MISSIONS REPORT

As one looks upon the fields and mission opportunities in the United States he is disturbed. American people have forms of religion, but do they have the spiritual power that God has promised His people?

One is disturbed by the break-up of American homes. More than ¼ of our marriages end in divorce while others are invaded by infidelity. Illegitimacy has increased 300% in the last 20 years. Newstands are filled with sex magazines, adventures in crime — one seldom finds a religious magazine for sale. $500 million is spent for filthy literature each year. Sex irregularities on college campuses and among high school students are alarming. Our Crime bill is $20 billion a year — 5 times the amount spent for education. One out of 8 of our young people run afoul of the law.

In view of these trends, one's heart is saddened by the "don't care" attitude of church members. It now takes 25 Southern Baptist church members one year to win 1 person to the Lord. Three thousand churches reported no baptisms last year. Only 1% of the total American income is given for religious causes.

God has been good to Southern Baptists. We now have 32 thousand churches and ten million members in the convention. We now have 2,078 home missionaries working in the U. S., Cuba, Panama, and the Canal Zone. Much progress is to be seen in the different ministries — for this we are grateful.

It is high time for Southern Baptists to awake, study, give, work, and pray to discover what we may do to help. It is high time that all of us lift up our eyes and look upon the fields for they are indeed white unto the harvest.

Respectfully submitted,
Lee Ayers

Rev. Guy Cain was recognized and asked to speak on the Mission work and also on the Relief and Annuity.

8. The following report on Temperance and Morals was made by Rev. Bobby Seagroves:

TEMPERANCE AND MORALS REPORT

A Temperance and Morals report has to do with what is right for us to do as Christian Citizens. There are several things that we should pay attention to:

(1) Far too many church members have compromised with the world in observance of the Lord's Day, in immodesty of dress, in social drinking, and other un-christian activities. A tired crippled soldier cannot fight in the front lines. He must be taken back to the hospital to recouperate and be strengthened again.

(2) Tightening up and enforcing traffic laws.

(3) Using our influence to help improve our TV programs.

(4) Temperance in the sense of the alcohol question.
It is estimated that in the year 1962, there were 68,000,000 American adults who drank alcoholic beverages in some degree. Of these, 5,400,000 were alcoholics and another

4,100,000 were heavy drinkers or problem drinkers. Alcohol is a potent factor in the destruction of many homes, and its victims fill our prisons. It is a major contributor to the crime rate in our land which is at an all-time high and is increasing annually.

But the story does not end here. Alcohol is writing a very shameful and bloody record on the highways of our land. In 1962 there were 40,500 deaths on the highways, and 3,345,000 injuries on the highways. The Highway Patrol says that alcohol was a factor in more than 50% of the fatal accidents on North Carolina highways last year. No indictment against this No. 1 enemy can be made too strong. We should do all within our power to keep our county free of beer, wine, or liquor.

"Wine is a mocker, strong drink is aging: and whosoever is deceived thereby is not wise." Proverbs 20:1

Bobby Seagroves

REPORT ON BAPTIST HOSPITAL

The opportunity of serving persons created in the image of God is a high and holy privilege.

You and I have such an opportunity in multiplied thousands of people who are sick in body, mind and spirit, and who come to our Baptist Hospital seeking help. We reach out the hand of love and mercy through the skilled and dedicated hands of our doctors, nurses, chaplains, and many others involved in this ministry to the total person. We are grateful for this opportunity of joining hands with those who soothe the fevered brow, give the miracle drug, guide the surgeon's knife, bring the message of hope, and do the hundreds of other tasks which are necessary in the operation of our great Medical Center.

The number of those who receive the services of our Hospital this year will be greater than the population of one of our medium-size North Carolina cities, such as Goldsboro or Salisbury. Most of them will be seriously ill and referred by their family physicians because they need the kind of care available only in a large medical center. They will come from all areas of our state and from all walks and circumstances of life. What a privilege it is to serve these friends in need and what a challenge to our skills and our compassion!

The Mother's Day Fund, which we provide by our special offerings or by an item in our church budgets designated for the Hospital, is the means through which we make it possible for those who cannot pay to have the care they need. The $176,000 which the Hospital receives from the Cooperative Program provided by our chuches must go to help pay for buildings, purchase equipment, and support the Department of Pastoral Care.

We call attention to the Service Patient Endowment Fund of the Hospital which we may place in our wills for any amount, or contribute to at any time, and thus continue to be a part of this service of love through the years after we are gone.

We wish to thank our people for their share in this ministry and call upon them to make their support a worthy expression of their Christian concern.

Respectfully submitted,
Bruce Buchanan

The report on the Baptist Hospital was adopted. Dr. C. C. Carpenter, representing the hospital spoke on this phase of our Baptist work.

15. The following report on the American Bible Society was given by Rev. Ted Braswell:

AMERICAN BIBLE SOCIETY REPORT

"The strategy of world evangelism in our day must use the written Word to make known the Living Word. The God of Truth calls us to make certain that providing the Word of Truth to all the world will not be 'too little and too late'."

—From the Report of the
1962 Advisory Council

In 1962 important advances in the Christian world mission were made by your Bible Society. The rising world wide demand for the Holy Scriptures in the languages of the people is dramatically revealed in the number of volumes of Scriptures distibuted in 1962 by the American Bible Society, 31,523,455 copies, an increase of 7,340,431 volumes over the previous record year, 1961.

In 1962 missions and churches overseas call upon the Bible Society for an increase of 48.3 per cent in the number of Scripture volumes required for their work and witness, a total of 17,032,704 copies in more than 100 countries in over 300 languages.

The need on the home front is underscored by the fact that one of every 9 people in the United States is a "language" person who does not know Christ as Saviour, one of each of the remaining is destitute or in a hospital or other institution, 2 of the remaining 7 profess no connection with any church. The Bible Society circulated a total of 14,590,751 copies of the Scriptures in the United States in 1962. The armed forces were supplied with 977.723 volumes of Scriptures free.

The total languages in which some complete part of the Bible has been published 1202.

Ted Braswell

16. Rev. C. W. Bazemore, representing the Biblical Recorder, our state Baptist paper, discussed the work of the Biblical Recorder.

17. The following report on Christian Education was given by Rev. Howard Buchanan.

REPORT ON CHRISTIAN EDUCATION

An enrollment of 7,880 students was reported from our seven Baptist colleges in N. C. Each of the colleges started on a small scale and have grown to their present status.

Chowan, Gardner-Webb and Wingate, our three remaining junior colleges, are moving steadily forward. Mars Hill and Campbell college have recently become senior colleges.

It has been proposed that Wake Forest College move to a University status. This proposal is to be considered at the Baptist State Convention this year; which will be held at Wilmington, N. C., Nov. 12-14, 1964. It is urged that pastors and churches get the facts concerning this proposal and be at the State Convention to vote your convictions.

Meredith College, a senior liberal-arts college for women is also experiencing a period of growth and expansion.

Also in the realm of Christian Education is the Seminary extension and Adult Education.

Fruitland Bible Institute is doing an excellent job in the teaching and training of many of our pastors in N. C. and other states.

Let us not overlook the fact that in the homes and local churches, we too are engaged in Christian Education, and let us put forth every effort possible to keep all our institutions, from the homes to the colleges worthy of the name Christian.

Let us stand behind our colleges with our prayers and contributions.

Respectfully submitted,
Howard Buchanan

This report was adopted. Dr. Eugene Poston, president of Gardner-Webb college, Rev. Kendall, representing Mars Hill College and Dr. Angel, representing Wake Forest College discussed the work of the Baptist Colleges.

18. The following report was given by Rev. Frank Ellis:

REPORT OF THE ANNUITY BOARD

More than $41 million have been paid in relief and annuity benefits by the Annuity Board since its beginning in 1918. Last year these benefits totaled more than $3 million, and were paid to more than 4,500 ministers and denominational workers or their families, who were members of a retirement plan, and to approximately 750 on the relief rolls.

The Southern Baptist Protection Plan now provides a special death benefit for all members, both ministers and denominational workers, under 40 years of age. It covers both natural and accidental death. If a member dies a natural death before age 40, the benefit provides a cash settlement to the member's widow or estate equal to the average salary on which dues were paid. If he dies because of an accident, the cash settlement will double the average salary.

The total membership in all the Board's retirement plans is approximately 25,000.

The Annuity Board field representative for North Carolina is Guy Cain. He promotes the Board's retirement plans trying to enlist pastors, churches and denominational employees who are not enrolled in the program in North Carolina. Rev. Cain is available to speak to a group in the churches of the association, or for personal conference about any phase of the Annuity Board's work. His address is: 301 Hillsboro Street, Raleigh.

28. Rev. Cassity called the vice moderator, Rev. Frank Ellis to the chair to preside over the morning session. Mr. Cassity then read the following report in the absence of Mr. Frank Young, Associational Sunday School Superintendent.

REPORT ON SUNDAY SCHOOLS

Mitchell County Baptist Sunday School convention was held with the Lily Branch Baptist Church August 2, 1963. The subject discussed was "Outreach for the Unreached". About 60% of the 36 churches responded with their reports, and we are thankful for all the good reports that we heard. They were encouraging, al-

though our average attendance is still too low in proportion to our enrollment.

Many of our pastors are interested in our Sunday Schools becoming better and stronger, which means that our churches will be much better also. The pastor desires that through the Sunday School the young may be converted to Christ, that solid teaching may be from the Bible.

The Sunday School should bring home the knowledge that God is someone who really cares for them.

Finally the Sunday School should be one of the church's best advertisements to those around by its efficiency, happiness, and especially its love displayed for children commend the gospel of Jesus Christ to all people.

30. The report on Woman's Missionary Union was given by Mrs. Marcus Blanton, Association President.

REPORT OF WOMAN'S MISSIONARY UNION

Throughout the Southern Baptist Convention this year women have been observing the 75th Anniversary of the Woman's Missionary Union. On May 14th, 1888, 32 chosen women met in Broad Street Methodist Church in Richmond, Va., and cast their votes that started the organization that we have today. The pre-amble to the constitution and by-laws set forth the purpose of the organization — to stimulate the missionary spirit and the grace of giving, among women and children, and that is still our purpose today — 75 years later. It was not until 1917 that the convention voted an amendment granting women, as well as men, recognition as messengers to the convention, but during that time the organization has been growing as the women continued to meet, pray and give.

The WMU of the Mitchell County Baptist Association held its annual meeting at the Grassy Creek Baptist Church May 14, 1963. The theme — "A Priceless Heritage". We felt that our meeting was unique this year because it was actually the 75th birthday of WMU — being the same date as it was organized. We have 11 churches in our association at this time with WMS organizations, and 9 were represented at our annual meeting. Our Missionary guests this year were Dr. and Mrs. Shelby Vance, Southern Baptist Missionaries to Ghana. One society — First Baptist Church, Spruce Pine was recognized by the state office for work this year.

Since we have been looking back today we might take a look at the organization in our County. In the 1932 minutes of the Roan Mountain Association, now the Mitchell County Association, when the first annual meeting was held in June, a total of $62.79 was reported as given by WMS members. Last year a total of $9,789.00 was given for State, Home, and Foreign Missions, by all churches. We have come a long way, but the need is even greater than at any other time in the history of our work. The new testament church was called in to being for no other plan or purpose than to carry the Gospel to the lost world. Our anniversary Watchword: "Laborers together with God — That the world through Him might be saved". May we work toward this end.

Respectfully submitted,
Mrs. Marcus W. Blanton
Associational President.

31. The following report was read by the vice-moderator in the absence of Mr. G. E. Ross.

REPORT OF BROTHERHOOD

The three-fold purpose of the Brotherhood is for the Enlistment, Education, and Service of the men of our Churches.

I. ENLISTMENT: There is a need in our churches for the enlistment of our men in the full program of our Baptist Denomination. This the Brotherhood seeks to do.

II. EDUCATION: Through the Brotherhood literature and programs the men are informed as to the mission of the church and how we may help to carry out the Great Commission of our Lord.

III. SERVICE: The brotherhood presents many and varied opportunities of service in and through the church. Some avenue of service are sponsoring the Royal Ambassadors, Christian witnessing, Stewardship and world missions.

Since there is a great need for unified effort on the part of the men to help meet the great challenge presented by the full mission program of the church we should seek to have a Brotherhood organization in each of our churches.

Free materials on methods and programs may be obtained from the state Brotherhood department, Raleigh, N. C.

REPORT OF BAPTIST CHILDREN'S HOMES

More children were served by the Baptist Children's Homes of North Carolina last year than ever before in history. This was made possible by the interest, prayers and giving of North Carolina Baptists and other friends. We are indeed grateful for every remembrance—the Thanksgiving offerings, once-a-month offerings, Cooperative Program gifts, food, clothing and other things. Without these we could not provide the many services to children and families which we do.

The physical, mental, social and spiritual growth and development of our children has been most gratifying. North Carolina Baptists have every reason to rejoice with the very fine response of these boys and girls to the Christian love and care afforded them. Members of an already fine and capable staff continue to grow in their love for children and their ability to work effectively with them.

We have been reminded for several years of a growing need for specialized services for an increasing number of children who suffer emotional illness. We are happy to report that these services are being provided a limited number of children in a small home at Chapel Hill in cooperation with the University Medical Center. They are receiving the best professional, medical help that can be provided. We are most fortunate to have this facility. It will strengthen greatly our entire program of child care.

We are compelled to keep our pressing needs before you. Applications for the admission of children are increasing. Relatives, pastors, friends of dependent children, departments of public welfare and others plead with the leadership of the Homes daily for help. A familiar plea is, "Unless you can help this child, there is no hope for him." We lay upon your hearts four areas of need.

1. An immediate increase in the number of children in good Christian foster homes in all areas of the state.
2. Continuous expansion and up-grading of facilities to enable the Homes to keep abreast of the best in child care.
3. An increase in financial support to undergird and strengthen the entire program.

A generous Thanksgiving offering is a must! Without it we cannot maintain what we now have in progress. We would challenge Pastors, Sunday School Superintendents and church leaders to make the best preparation possible for the forthcoming offering. Giving for the care of dependent children affords one of our greatest joys in Christian service.

Financial support for the past year has come from the following sources:

Cooperative Program	33 Per Cent
Thanksgiving Offering	30 Per Cent
Once-a-Month Offerings	16 Per Cent
All Other	21 Per Cent

Charity and Children, the official publication of the Homes is now in its 76th year of publication and is widely read by our Baptist people. It has long been one of the best religious papers published among Southern Baptists. Every family in every church is invited to be among its readers to keep informed about our child

care program and the world mission of our Lord. An issue of **Charity and Children** can be enjoyed each week during the year for only sixty cents. See that your church receives it.

Respectfully submitted,
Ben L. Ray

This report was discussed by F. T. Bowman, representative of the Children's Homes.

33. At this point, Mr. Bill McKinney asked to be recognized. Mr. McKinney asked that the association reconsider the 3rd paragraph of the resolution adopted the previous day concerning Wake Forest College. He stated that he felt by saying "the present administration" too many dedicated people would be included. After much discussion a motion was made to amend the resolution to read "as expressing no confidence in Dr. Harold Tribble, as president of Wake Forest College". This amendment was adopted with the feeling that Dr. Tribble was not primarily interested in maintaining a Baptist College as set forth in our Baptist tradition.

34. The following were appointed to the resolutions committee: Rev. Neils Larsen, Rev. Bobby Seagroves, Rev. Floyd Ledford.

35. The sermon was brought by Rev. Ted Braswell.

36. Prayer of thanksgiving. Adjourn for lunch.

FRIDAY AFTERNOON SESSION

37. The meeting was called to order by the moderator. Special music was presented by Rev. Fonzer Buchanan, who sang and played on his small organ, "Jesus Paid It All".

38. The devotion was led by Rev. R. M. Cassity in the absence of Rev. Park Whitson. Scripture was taken from the 2nd chapter of Acts.

39. The following report on Evangelism was given by Rev. Paul Ledford.

REPORT ON EVANGELISM

Evangelism succeeds or fails largely at the association level. Each church is responsible. We believe togetherness or an association of churches is the answer to the question: Will we see a revival of Christ centered, God given, Holy Spirit generated religion in our time. We, as individual churches are, under God obligated and responsible for every soul in Mitchell County, North Carolina and to the uttermost part of the world. Evangelism, should have its beginning in a mother's heart extending to the child on her lap. In turn we believe, this child shall in later years respond to this early training and become the teacher, preacher, evangelist, lay witness, effectively, under God, evangelizing the known world.

Great human effort has been noted in our area on this most important business on earth. Yet we could only report 243 baptisms for the church year 1962. In ratio (1) baptism to each (29) church members. This figure tells us that in 1962 the combined effort of twenty-nine people was needed to "win" one person to Christ.

As we close the record book upon another associational year, we humbly thank our heavenly Father, for the victories won, and we trust with renewed strength, turn our attention to the task before us in the upcoming church year. We in our own strength

cannot bring a revival but there is no record in history of a revival among God's people against their will. History reveals spiritual revival only comes when God's people have longed for it and earnestly prayed for it. A fervent proclaiming of the gospel, Jesus Christ will bring the desired spiritual attitude so needed in our day, the harvest is white and God can and will use every Christian to gather the harvest of men and women, boys and girls into the kingdom of God, may it be so.

Respectfully submitted,
Paul Ledford

REPORT ON NORTH CAROLINA BAPTIST HOMES FOR THE AGING

God has blessed the ministry of our North Carolina Baptist Homes in a wonderful manner during the twelve years of our operation, and the past year has been filled with His goodness.

We are now able to serve 160 residents in our four Baptist Homes — the Hayes Home and Resthaven in Winston-Salem, the Albemarle Home, at Albemarle, and the Hamilton Home, at Hamilton.

In June of 1962, the doors of the lovely new Hamilton Home were opened to the first residents, and the halls have been ringing with the laughter and the happiness of the residents there since. This beautiful facility has greatly lengthened and strengthened the arm of our total ministry, and has already brought much joy to our Baptist people in Eastern North Carolina. We are looking forward to the day in the future when the arm of compassion can be extended to reach and serve more of our aging people in Western North Carolina.

The greatest single need is for more space continually. Today there are 160 people waiting for admission, from all areas of our great State, and it is an heart-breaking experience to keep these dear people waiting who so urgently need to come.

The average age among our residents is 80. Our youngest resident is 65, and our oldest resident will be 102 in July. Between this age span, we are seeking to meet almost every conceivable life need of the individual. Each person, in an atmosphere that is distinctly Christian, is surrounded by love, peace, and security. Perhaps one of the greatest single contributions that is made is the nursing care that is given in the event of illness. The resident is assured that he will receive tender loving care in sickness as well as in health. Years are literally added to the life of a person in our care, we feel.

The tie with our Baptist people and our Baptist Churches is a blessed one indeed. We are continually dependent upon the prayers, the visits, the loving concern, and the financial support of our people. The two most vital media of support from the churches are the Special Day Offerings, received on the third Sunday of February each year, and the Homes' share in the Cooperative Program. Inasmuch as we receive only 1 3/10% of the State Convention's share of the Cooperative Program, or $7.92 out of each

$1,000.00 contributed through the Cooperative Program, we shall have to continue to look to the Special Day Offerings for the greater part of our support from the churches.

North Carolina Baptists have given a good account of their stewardship in their ministry to the aging during these years of a wonderful beginning, and we have the faith to believe that they will continue to move forward in this great area of human concern.

Respectfully submitted,
T. J. Willis

REPORT ON CHRISTIAN LITERATURE

One of God's greatest gifts to man is the ability to read and write, to express his thoughts by visible symbols through which he could have a useful record of his mental, moral, spiritual and physical progress. If the ability to read should be taken away, man would be poor indeed.

The moral of our people today is at a low ebb. The flood of bad literature has spread over our land, and very often finds its way into our Baptist homes. Its pages are filled with seeds of evil. Today there are but two agencies that can be depended upon to promote the reading of literature that tends to build a spiritual and moral life — the Christian home and the church. If these two divine institutions fail in their responsibilities how shall the issues and problems of life be met with high spiritual and moral ideals?

The literature we read determines, to a great degree our usefulness in life. Therefore, we urge our people to select only the best that which informs, inspires, and builds character. In a united effort let us send the written word into every home, challenging the souls of God's people.

Respectfully submitted,
Robert E. Seatz

THE REPORT OF HISTORIAN

Baptists of the world continue to make history. Mitchell County Baptists are the greatest force for God in the County.

There are in the year 1963, 37 churches with more than 7,000 members. However, more than 2,000 of these members are non-resident. The average attendance in Sunday School last year was only 2,829.

The economic condition of our county is such that many of our people have had to leave to find work. The total population of our county is less than it was 20 years ago.

Most of the churches at this time are growing, however, some are experiencing trouble within. We can see a great need of a spiritual revival in the Mitchell Association. Many of our people are lost and not enough effort is being made to win them to the Lord Jesus Christ.

Most all of our churches have new or near new buildings in which to meet, for which we give God praise. The great need now

is to see a lost world for which Jesus Christ died, beginning at home and reaching into all the world.

Respectfully submitted,
Bruce Buchanan

This report was adopted. Mr. Buchanan asked in way of discussion that any person having old copies of the association or other papers or information of interest to contact him before the next annual association that he might prepare a more complete history of the Association.

THURSDAY MORNING SESSION

2. The devotional message was given by Rev. J. R. Sipes, pastor of Liberty Hill Church.

3. The program as presented by the program committee was adopted with any necessary changes to be made. The roll call of churches was made by the clerk. Twenty-nine churches were represented. Guests were recognized and welcomed

4. The following report on Foreign Missions was made by Rev. Ted Braswell:

REPORT ON FOREIGN MISSIONS

Southern Baptists must measure our mission undertaking by our potential — not by what we or others have done. When we put what we are doing alongside the reality of human need and the reality of open doors in the world, we then can see that we have hardly begun. We can only hope that we may be able to see the crises of our day — we are living in a day of destin. We are having our opportunity. May God help us to realize the fact.

The Foreign Mission Board came to the close of 1963 with a mission staff in excess of 1,800. We now have missionaries under appointment in 54 foreign stations. Mission work is carried on through a varying number of institutions on each mission field — Churches, schools, hospitals, publication plants and good will centers.

All of these are interactive and the goal of each is evangelism. National pastors numbered 2,822. Most of the churches have Sunday Schools, and a number have other church affiliated organizations. In 1963 the 3,943 churches and 6,999 chapels reported 540,849 enrolled in Sunday School. 41,147 baptisms and 523,603 church members. Total contributions of the Southern Baptists for foreign missions amounted to $21,431,202 during 1963. $10,949,857 was through the Lottie Moon Christmas Offering. Still at the end of 1963 there were requests from the missions for more than $3,000,000 for urgently needed land, buildings and equipment.

Educational work not only offers opportunities for evangelism, but also trains a strong national leadership. The primary aim of Missionary Medicine is the healing of the whole man — both spiritually through a personal knowledge of Jesus Christ as their Lord and Saviour and through the practice of medicine. Eighteen publishing houses produced 12,965,885 pieces of literature in 1963. These included periodicals, tracts and books.

Respectfully submitted,
Ted Braswell

This report was adopted.

5. The report on State Missions was made by Rev. Lee Ayers, pastor of Silver Chapel Church.

REPORT ON STATE MISSIONS

When one considers the great need of the mission field in our state, he realizes he must be working and praying for State Missions. Our state convention's mission program has many phases to its work. Some of these are:

The establishment of new missions and churches in North Carolina; the development of leadership for new churches; work with associational missionaries; the training of men called into the ministry late in life through the Fruitland Baptist Institute. The mission program also includes work with the deaf people in "silent language" on television program's over seven stations. It includes chaplaincy service in correctional institutions and sanatoriums. Many of these inmates and patients feel neglected and unloved. They heartily welcome this ministry. Also included is the work with different racial groups such as the work with Japanese wives of military personnel at Fort Bragg, Cherry Point, and Jacksonville.

Continuing progress is being made in all these fields and deserves our prayerful support.

Respectfully submitted,
Lee Ayers

This report was adopted.

12. The following written report was presented to be printed into minutes.

1964 REPORT OF THE BIBLICAL RECORDER

In the modern world nothing stays around very long that doesn't have some definite purpose and mission. The BIBLICAL RECORDER, now 131 years old, grows in strength and stature because its course is fixed upon the primary purpose of service to the Baptist of North Carolina.

Never has there been a day when the Christian witness was more needed in dealing with the problems of the world. To help Baptists fill these needs, the RECORDER seeks to do the following.

1. TO INFORM. Baptists cannot properly do until they properly know. With special attention to the interests and needs of Baptists in this state the RECORDER staff gathers, sifts and publishes significant news from as many sources as possible. It keeps abreast of the important activities of the State Convention and its agencies and institutions. As much as possible, news from the wider circles of the Southern Baptist Convention and the entire Christian world is presented.

2. TO INTERPRET. Increasingly it is becoming necessary for responsible publications to help readers understand the meaning of events. The reasons are many. Most people face such a flood of information and propaganda from every direction that it is hard to sort out the important things, set them in proper context and understand them. With the resources of full information, close con-

tact with denominational leaders, pastors and others, plus many years of experiences, the RECORDER SEEKS TO say something about the meaning of events as well as reporting them.

3. TO INFLUENCE. Like the individual Christian, a Baptist paper has a responsibility to let its light shine in the world. A long record of service, integrity and courage has earned respect for the voice of the RECORDER both within and without the denomination. Proper use of that voice, lighted by the New Testament and conscience, is both a service and a sacred trust. Take the lead in seeing that every family in your church receives the RECORDER.

Respectfully submitted,
J. Marse Grant,
Editor and Business Manager
C. W. Bazemore, Associate,
Circulation and Promotion

Mr. Bazemore spoke on the above report which was adopted.

13. The following guests were recognized and brought greetings from the various Baptist Colleges: Dr. Allen Easley, Wake Forest College; Dr. Melvin, Mars Hill College; Dr. Eugene Poston, Gardner Webb College.

14. The following report was read on Baptist Hospital.

REPORT ON NORTH CAROLINA BAPTIST HOSPITAL

The trustees and administration of our Baptist Hospital have expressed their appreciation for the interest and concern our churches have shown in the ministry of the hospital. In behalf of thousands of our people who cannot pay for the skilled care received at our Medical Center, they express their thanks for our Mother's Day gifts which make this service possible.

This is a crucial year in the life of our hospital. It is serving more sick people than ever before in its history. At the same time, the needs continue to grow faster than its capacity to serve. For more than a year there has been an average of above 700 sick people on the waiting list for beds. A number of seriously ill or injured persons have had to be sent from the emergency rooms to other hospitals because no beds were available.

Another difficult problem is that of meeting the cost of caring for those who cannot pay for the service they need. Within our state there are many older people who live on a meager Social Security or Old Age Assistance income, families whose savings and sometimes their ability to earn have been wiped out by long and serious illness, and great numbers who cannot rise above the poverty line. All who come must pay for their medical care in so far as they can, but there are great numbers who simply cannot pay the full cost. Our hospital tries to get all the help it can for these persons from welfare and health agencies, but these agencies do not pay the total cost and many persons are not eligible for such assistance.

The hospital receives a share of our Cooperative Program money, which helps to support the Department of Pastoral Care and provide equipment and facilities required in the work of the hospital; but the Mother's Day Fund provided by our churches is the only means the hospital has of bridging a wide gap between

the funds available and the cost of caring for those who cannot pay for their medical service.

Our hospital and medical school are beginning a large development program greatly to increase the capacity of our Medical Center to care for our sick people and to train additional doctors, nurses, and other personnel to serve in our communities, on our mission fields, and wherever these trained persons are so badly needed. The people of the Winston-Salem area have expressed their confidence in our Medical Center by pledging more than seven million dollars to this enlargement program. Our great concern is that, when our hospital has increased its capacity to meet our specialized medical needs, will our churches provide the money to take care of those who need these services but cannot pay for them.

This is a heavy burden on those who are responsible for the operation of our hospital. We are confident that if our people are informed of the work and the great need, they will provide the necessary means. We call upon our pastors and other church leaders to lay this upon the hearts of their members. It is a greatly needed and wonderful ministry to which Jesus gave himself without reserve. We who are His followers must not fail those to whom he would minister through us.

Respectfully submitted,
Bruce Buchanan

This report was adopted.

Dr. W. K. McGee, representing the Hospital discussed this report.

15. Report on American Bible Society was given by Rev. J. R. Sipes, pastor of Liberty Hill Church.

AMERICAN BIBLE SOCIETY

A Chinese College Student, during World War II when Bibles were scarce in his country, made this earnest request: "We students want to know Jesus. We must have this Book". Another thoughtful Chinese student, talking with his missionary teacher said: "Your English Bible speaks to my head, but my Chinese Bible speaks to my heart".

The words of those Chinese students express two missionary principles which are true in all lands.

People must have the Bible because it presents Jesus Christ, the one hope of men and nations. Each person must have the Bible in his own language because it speaks to his heart as no other language can speak.

The Bible is the missionary's chief tool. He uses it in every form of mission work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay on after he must leave and keep on speaking to a man's heart.

The AMERICAN BIBLE SOCIETY aids in Bible translation, publishes the scriptures without note or comment and distributes them without profit, usually below cost. For the blind it supplies Scriptures in raised-letter systems and on Talking Book records. The Bible Society serves every form of Southern Baptist mission work around the world.

Because the Bible Society serves mission work and because

Southern Baptist missionaries depend on the Society for Scriptures they need for distribution in their own work, Southern Baptist churches give to the American Bible Society.

The help of every Southern Baptist church is needed. Has your own church given this year?

Respectfully submitted,
J. R. Sipes

16. The following report was presented by Rev. R. M. Cassity to be included in the minutes. Rev. Guy Cain discussed this report.

THE REPORT ON THE ANNUITY BOARD

Every pastor, church and denominational employee is eligible for the new group term Life Benefit Plan being offered by the Annuity Board regardless of whether they are a member of one of the Board's retirement plans. The Board is currently in a campaign to enlist the 3,000 members needed to put the Life Benefit Plan into effect, and hopes it is in operation by October 1 of this year.

Cost is Low — The new Plan provides low cost life protection to members while in active service, during disability or in actual retirement. Cost is only 1% of the annual salary basis, with minimum basis of participation set at $4,000 and maximum at $12,000. Minimum payments will be $3.34 a month and maximum payments, $10.00. Car expense, housing and utility allowance, etc., may be added to the cash salary to allow the member to pay on a larger amount.

Benefits Are Large — The widow or beneficiary of a member 45 or under will receive 2½ times his salary basis of participation in the event of his death. Thus the widow of a man 44 years of age who was paying on a $12,000 salary basis would receive $30,000. If death was accidental her benefit would be twice this. At the age 45 benefits are scaled downward by 1/10th of a percent each year as he gets older.

Application and information about the Life Benefit Plan may be obtained from the Annuity Board, 511 North Akard, Dallas, Texas, 75201, or from your state annuity secretary.

As of May 1, 1964, there were 16,251, or 50% of the total churches of the SBC participating in the Annuity Board's retirement program with their pastors. Out of 174 institutions, 118 are enrolled. Total membership on the Board's retirement plan is approximately 25,000.

Respectfully submitted,
R. M. Cassity

FRIDAY MORNING, AUGUST 14, 1965

21. The meeting was called to order in the Snow Hill Baptist Church by the Moderator R. M. Cassity. Mr. Cassity lead the devotional after which Rev. Bobby Seagroves led in prayer.

22. The following Training Union Report was read by Rev. Bobby Seagroves:

TRAINING UNION REPORT

These are exciting days for the ministry of Training Union. Many new ideas, new materials, and a new seriousness to our need for Christian training are coming to us through our Training Unions!

Your associational Training Union officers scheduled and promoted the following events in the Mitchell Association this past year:

1. On October 21, 1963 we had a Church Officers and Committees meeting in the Pine Branch Baptist Church. This meeting was to help the church officers and committee members to better understand their respective responsibilities, and to help them in a better understanding of their duties.
2. On December 2, 1963 we held our "M" Night Service in the Bear Creek Baptist Church. The weather was not in our

favor for this meeting. However, we had over 300 in attendance to hear Rev. Horace Hamm of Raleigh, N. C., speak to us on the subject "Commit Thou to Faithful Men". The message emphasized the need for soul-winning and a strong training program in every church.

3. On March 21, 1964 we had our Associational Youth Night Service in the Liberty Hill Baptist Church. We had about 90 of the youth of our association present to hear Mr. Harrell Wood of Mars Hill College as he challenged them to make their life count for Jesus Christ and the Church.
4. On April 5, 1964 we had our Associational T. U. Tournament in the First Baptist Church of Spruce Pine. We had over 30 Juniors to enter the Junior Memory Work Tournament.
5. On April 17, 1964 many of our Junior boys and girls went to the First Baptist Church of Canton for the Regional T. U. Tournament.

We have twenty-three of our thirty-seven churches with an organized Training Union. The White Oak Baptist Church is the latest church to organize a Training Union.

As your Associational Training Union Director for the new year I would like to make the following suggestions:

1. That more of our churches take an interest and active part in our associational Training Union Mass Meetings.
2. That more of our churches participate in our Training Union Tournament in all phases of it. We need to begin early and do a good job.
3. That more of our pastors and church leaders lead out and speak up for the necessity of a good training program in every church in our association, large or small.
4. That you, the members of the Mitchell Baptist Association remember in prayer your associational T. U. officers.

I offer my sincere appreciation to every person who has had a part in making our Training Union year the success it has been. It is my earnest prayer that we will work together to make the coming year a greater blessing.

Respectfully submitted,
Bobby Seagroves
Assoc. Training Union Director

This report was adopted.

23. The following report on Woman's Missionary Union was submitted by Mrs. M. W. Blanton.

REPORT OF WOMAN'S MISSIONARY UNION

"O, give thanks unto the Lord, call upon his name, make known his deeds among the people". Psalm 105:1. Make known his deeds among the people — this is the purpose of the Christian church, therefore it is the purpose of Woman's Missionary Union. This has been Baptist Jubilee Year — a year of celebration for 150 years of Baptist work in America. The theme for our year of work in WMU has been "For Liberty and Light". This was the theme of our annual meeting held with the Bear Creek Baptist Church, June 30th this year.

In our association we have missionary organizations in 14 churches. Four are full graded. Ten of these were represented at the annual meeting with a registration of 179 people. Several of our churches are fostering work with the young people that have not in the past, and we feel this is the greatest progress we have made.

The guest speaker at the annual meeting was Dr. J. T. McRae, who with Mrs. McRae, served as a medical missionary to Gaza for 4 years. (Dr. McRae is now a practicing physician in Spruce Pine and has expressed a willingness to help in our work from time to time, and I would recommend him to any church who is able to secure him as a speaker.) Dr. McRae is also an ordained minister.

One G. A. rally was held this year, under the direction of Mrs. R. M. Cassity, Associational G. A. Director. This was an all day meeting of mission study with girls from several churches taking part.

Spruce Pine, First Church was recognized at the Annual State WMU convention for outstanding work in mission study.

Eight associational WMU officers attended a two day leadership conference at Fruitland in September and returned to the association to hold our first Leadership Conference of this type. The conference was held in the Bear Creek Church with a good attendance. An equal number will attend a similar workshop in September this year.

We feel that perhaps some progress has been made this year, but there is much to be done yet. Just now we are hearing a great deal about "kindling the spark" in the minds of our young people in the field of education. This is good. But we need also to be busy kindling a spark to give them the desire and determination to carry on the work of our Saviour. The very name Woman's Missionary Union defines the purpose — MISSIONS. In the church the Woman's Missionary Society is known as a missionary education organization to promote Christian Missions through a program of mission study — prayer — community missions, stewardship and missionary education of youth. Can any missionary church be true to its name and neglect the teaching of missions. Christ said, "Go ye into all the world", and as a missionary church can we compromise for less and be true to the commission that has been given to us?

The officers elected to serve for the 1964-65 year, beginning in October are: Mrs. Edward Ballew, Jr., President; Mrs. Helen Miller, Vice President; Mrs. Rex Hollifield, Secretary; Mrs. Bertie Dellinger, Sunbeam Director; Mrs. R. M. Cassity, G. A. Director; Mrs. Ruth Uphold, YWA Director; Mrs. Lewis Wiseman, Prayer Chairman; Mrs. Neils Larson, Mission Study Chairman; Mrs. Charles Dale, Mission Study Chairman.

This thought from our State WMU President, Mrs. A. L. Parker at the annual State WMU Convention,

Hold high the torch!
You did not light its glow —
'Twas given you by other hands, you know.
I think it started down its pathway bright,

The day the Maker said: "Let there be Light,"
And He once said, who hung on Calvary's tree —
"Ye are the light of the world . . . Go! . . . Shine-for-me.

Associational President

REPORT ON BAPTIST CHILDREN'S HOMES

Helping children and young people to grow and develop toward Christian maturity is one of the greatest privileges in life. No task is more important than helping a child to grow into healthy, well-adjusted responsible citizenship. At the Children's homes we seek to provide the proper atmosphere, encouragement and supervision to assure the development of in-born God given powers of our children. This is the continuing purpose of your child care program.

Food, clothing, shelter are necessities given every child in the Baptist Children's Homes. Of greater importance than material things is the genuine interest, concern and love given every child by Christian men and women on the staff. Many children who have known only heart break and tragedy learn to love again — learn to trust in themselves, in adults and in God.

Jesus devoted a great deal of His time and energy to the needs of underprivileged people of His day. How would you like to join Him in our day in making life meaningful and happy for boys and girls who have no home, and, who for some reason, know not the love of mother and father — children for whom the future has little to offer? This can be done as you join hearts and hands with other friends of dependent children in making a way of life possible for them.

Financial support for the past year has come from the following sources:

Cooperative Program	33 Per Cent
Thanksgiving Offering	30 Per Cent
Once-a-Month Offerings	16 Per Cent
All Other	21 Per Cent

Most North Carolina Baptists are well acquainted with CHARITY AND CHILDREN, official publication of the Baptist Children's Homes. This unique newspaper is published each week and goes to more than 55,000 subscribers. Well over half of the Baptist churches in the State receive it in bundles or for distribution to the members on Sunday.

Respectfully submitted,
Ben L. Ray

This report was adopted after being discussed by Marvin Murphry, representative of the Children's Homes.

25. The report of Christian Education was submitted by Rev. Vernon McAbee.

REPORT ON CHRISTIAN EDUCATION

A few years ago a group of Educators were in conference concerning Christian Education. They were asked this question, "What makes a school Christian?" After much discussion they came up with the following conclusion:

(1) It must have a Christian Objective.
(2) It must have a Christian faculty and teaching.
(3) It must have a Christian view point.
(4) It must have a Christian spirit, atmosphere and life.
(5) It must have evidence of Christian products.
(6) It must have a Christian program.

Surely we all realize that these factors should always be present in our Denominational schools.

Who can rightly evaluate the role of students in this mixed up world of today? You hardly pick up a newspaper without seeing the actions of todays students splashed across the front page. Student demonstrations, riots, rebellions, sit-ins and drop-outs. This is not confined to one school or state but it is world-wide. They rebel against any kind of authority in the home, church, school, state or nation.

All of us are aware that the battle for the minds of men is raging around us and especially in the school system across our nation. If there has ever been a time when we need to stress Christian Education it is now. And we do not need any fuzzy thinking on the

part of any man or woman who is instructing these students. If our students ever hear the Bible questioned or the church laughed at or the Diety of Christ and the Atonement brought by His death on Calvary questioned, if they are ever brought to doubt His Resurrection, His Intercession now in Heaven for us or His return for His church, then let them hear it in the proposed institution for Infidels being erected at present in America. But God forbid that it should ever happen in any school or institution identified with or supported by the money of good God-fearing born-again Baptists of North Carolina.

This is not an attempt to degrade any student. Thank God we have many who are fine Christian young people who are earnestly seeking for an anchor of the soul and mind in these troublesome times. We also have many good people who are wholeheartedly dedicated to Christian education who labor among our young people with a great zeal for God. It is our prayer to God that their number may increase.

At present North Carolina Baptists have seven education institutions that exist for the purpose of training our young people. A brief report from each of these schools follows.

ENROLLMENT — THE FALL SEMESTER, 1963

Campbell	1,836
Chowan	967
Gardner-Webb	754
Mars Hill	1,335
Meredith	900
Wake Forest	2,958
Wingate	1,117
TOTAL	9,867

(Total enrollment, including second semester and summer school is more than 11,000).

During the past 25 years North Carolina Baptist colleges enjoyed a phenomenal growth. Today in these seven Baptist colleges we have enrolled more than 11,000 students. The total property value of the colleges exceeds $60,000,000. These colleges have graduated almost 50,000 students. Of special interest to our church people is the fact that enrolled in these seven colleges are 426 young men and women studying to be pastors, missionaries, directors of religious education, and leaders in our church music.

Brethren, Baptists from the beginning have believed that the task of learning is appointed by God and that all knowledge and wisdom has its unity in Christ; and since we do believe that Jesus Christ is Lord of life, we believe that Baptist churches through their colleges, as members of the covenant community, have an obligation to every area of life and culture. Thus, our fellowship comes through a covenant relationship and a sense of working together to achieve a common goal.

We want to assure these institutions that our churches will be praying for them and that God will guide them as they shoulder

one of the biggest responsibilities of our Baptist life, that of helping to shape the lives of our students.

Respectfully submitted,
Vernon McAbee

32. The following report on Evangelism was given by Rev. Paul Ledford.

REPORT ON EVANGELISM

"Go and teach all nations", "Do the work of an evangelist", "Ye are my ambassadors", "Today is the day of Salvation". All familiar quotes from the scriptures — and point up a great truth.

The Holy Scriptures teach a two phase work in the operation of the functioning New Testament Church. Number one, teaching and or education. Number two, Evangelism. The two combined entail all proposed and working machinery of the local Baptist Church. One cannot properly function at the expense of the other. A partnership is imperative. Prayerful, faithful approach to each **"Ordained good work"** shall produce a lasting effect on the church membership that cannot by any means be surpassed by any other **activity** in the name of Christ and Christianity. A local church without doctrinal teaching soon becomes ineffective in Her witnessing. Likewise, the local church must make use of every opportunity to Evangelize — not primarily to prove we are **alive** but to make way for every person regardless of status, race or location to become a follower of Jesus Christ our Lord whose we are.

Mitchell County Baptists have long enjoyed the reputation of being very zealous for Christ and the things of God. To Evangelize,

in the name of Christ and for His sake to me is the greatest privilege and highest honor paid to man.

Respectfully submitted,
Paul Ledford

33. The report on the Homes of the Aging was submitted by Gwynn Graham and read by Rev. Paul Ledford.

REPORT ON N. C. BAPTIST HOMES FOR THE AGING

Our Baptist Homes have just completed their 13th year of operation and are entering into the 14th year with eager anticipation and with enthusiasm. God has blessed these brief years with an abundance of His love and with the good things of life. Growth has been rapid, the development of facilities amazing, and the need for additional space staggering. We have come from 1 resident and 1 building, since March of 1951, to 160 residents and 4 buildings in 1964. Today there are 170 people waiting for admission. There are hundreds of inquiries during any given year from aging persons who are sick, for whom we cannot care because of lack of bed patient space. We must give an answer to these good people and begin now making plans for a nursing facility that will be large enough to receive some of these who are sick, or invalids, at admission.

The choicest bit of news for 1964 is the development of a 5th Baptist Home, to be located at Yanceyville, North Carolina. We are hoping to begin construction on this new project during this year, and this, the burden of our hearts will have been relieved, year, and thus, the burden of our hearts will have been relieved, in a measure, by being able to care for 30 additional residents. Enough land at Yanceyville and money were given to the Baptist Foundation of N. C. for us, by the late R. Sterling Graves and his sister, Mrs. Sallie Willie Graves Bradsher, to build and equip the Home there.

Life among the residents these days is most interesting and filled with a variety of experiences. The youngest resident celebrated her 66th birthday in January, and the oldest her 103rd birthday in July. Some are doing creative writing, others sewing, gardening, teaching painting and living a good life in general. All are praying for a world and its needs. All are expressing thanksgiving to God for the people called "Baptist" and for the happiness and security of the Homes that our Baptist people are helping to make possible for them.

Let us join our hearts in prayer and our lives in dedication that we may give a good account of our stewardship in great area of human concern and give an answer to as many of these people as possible.

Respectfully submitted,
Gwynn Graham

34. The following report was read by Rev. Bobby Seagroves.

THE REPORT OF THE N. C. BAPTIST FOUNDATION, INC.

In the widest sense Stewardship "is the maximum use of one's life for the glory of God and the good of mankind." The North Carolina Baptist Foundation, Inc., encourages the Stewardship of Current Income in systematic and proportionate giving from current income. The Foundation also encourages the Stewardship of Accumulated Possessions by single block giving at infrequent intervals from accumulated income during one's lifetime and/or at one's death. You will note that the Baptists have put the major emphasis on the Stewardship of Current Income. The Baptist Foundation seeks to put a stronger emphasis on the Stewardship of Accumulated Income. There are many ways that the Foundation assists a person in making his gifts through accumulated income such as: (1) by living trust, (2) by gift annuity, and (3) by bequests in wills.

The Foundation also serves by meeting with you and your attorney upon your request in connection with preparation of legal documents where the Baptist Foundation is to be involved. The Foundation offers services to individual churches, associations, and to all of our Baptist agencies and institutions.

We have been emphasizing the making of Christian wills. We have two films, "God's Will Through Yours" and "Treasures in Heaven," on Christian will making, which are available to any organization upon request.

35. The Historians report was given by Rev. Bruce Buchanan.

REPORT OF HISTORIAN, 1964

The Mitchell County Baptist Churches have made much progress in recent years. Fifty years ago there were 20 churches in the association. Bear Creek was the largest with 285 members. Cane Creek was second with 237. The pastor's salary for the year was: Bear Creek $57.25 and Cane Creek $43.50.

Some other facts of 50 years ago: Spruce Pine Church, offering for the year $493.62, paid pastor $300 for year. Bakersville Church offering for the year $588.62, they also paid pastor $300 for year.

The above information taken from a copy of 1913 minutes that Mrs. Marcus Blanton loaned to your historian. If you have old minutes please let the historian know about them.

The decrease of our population in Mitchell County is having great effect on some of our churches. Many of the small churches today have very few children. McKinney Cove Church did not have one single child in beginner class of Vacation Bible School.

Our churches have made great progress materially, we hear much about the spiritual condition being at a low ebb. May God grant that we may have a great revival in our county.

Bruce Buchanan, Historian

5. The following report was made by Rev. R. M. Cassity.

REPORT ON FOREIGN MISSIONS

Our Foreign Mission Board is serving in fifty six countries, with 2019 missionaries now serving. For the first time in the history of Southern Baptist, we have exceeded the 2000 mark. The Board hopes to have as many as 5000 missionaries in the various fields of the world in the near future. Our Foreign Mission work is supported through our Cooperative Program and the annual Lottie Moon Christmas offering. The budget for 1966 is $24,000,000.00 with $10,000,000.00 coming from the Cooperative Program, and $14,000,000.00 from the Lottie Moon Christmas offering. Baptist churches on foreign mission field total 3,943 churches and 7,000 chapels with 2,822 National Pastors. Our missionary personnel include pastors, teachers, nurses, social workers, technicians, and others, whose aim is to care for both the spiritual and physical needs of people.

The Commission is the official publication of the Foreign Mission Board.

Realizing the needs of the people of this world that Christ died for, and the urgency of the day, let us give our full support to the work of Christ throughout the world. This He has ordered. We have no choice but to obey.

Dr. Baker J. Cauthen is Executive Secretary of the Foreign Mission Board.

Respectfully submitted,
Richard M. Cassity

This report was adopted.

6. An oral report on The Baptist Homes, Inc. was made by Mr. Poole who is superintendent of the Homes.

7. The following report was read by Rev. Bruce Buchanan.

REPORT ON BAPTIST HOSPITAL

More than 35,000 sick people were seen in the clinics of our Baptist Medical Center in Winston-Salem last year, and more than 19,000 were hospitalized for bed care. These sick people came from all sections of our state, out of all kinds of financial circumstances, and with almost every type of serious disease and sickness known to man. Most of them were sent by their local doctors, because they had problems which were difficult of diagnosis or treatment, and needed specialized facilities and skills such as those found at our Baptist Hospital.

In addition to the sick people who were served, there were more than 700 persons in training in the various fields of medical care and Christian service. These students were studying in ten different schools, and in other fields of training in our Medical Center, and will go out to serve as physicians, nurses, technicians, pastors and other Christian workers, in our communities and churches throughout North Carolina and on our mission fields around the world. These schools offer excellent opportunities, and they are interested in qualified Baptist young people who wish to invest their lives in useful service to their fellow man and in the Kingdom of God.

The ministry of our hospital to people who are seriously ill and in meager circumstances lies at the very heart of its total work. All of our Mother's Day offerings are used for this purpose: when the doctors have given their skilled services without charge to these patients, and the money available from all other sources is added, every dollar we give is multiplied nine times over in free service to those who need help.

It is a high privilege for us in our churches to minister in the name of the Great Physician, through our hospital, to these multitudes who are sick. It will be a welcome voice when the King shall come in His glory and we can hear Him say: "Come, ye blessed of my Father; for I was sick, and ye visited me."

Respectfully submitted,
BRUCE BUCHANAN

This report was adopted.

L. F. Sodeman, Chaplain to Students, Baptist Hospital discussed the Baptist Hospital and the work carried on there.

8. The report on the Baptist homes was submitted by Rev. Ben L. Ray to be recorded in the minutes with time given to Mr. Little, Minister of Music and Education at the Children's Homes, to discuss the phase of the Baptist work.

REPORT ON BAPTIST CHILDREN'S HOMES

The care of dependent, neglected and homeless children is the central mission of the Baptist Children's Homes of North Carolina. In addition to providing care for children it is the purpose of the Homes to join hands with other Christian forces to strengthen wholesome, Christian family life throughout the state. Our people have supported this ministry in a most generous and commendable way.

Our Homes are serving as many people who need our help as possible. They are dependent upon North Carolina Baptists for support. Every gift, however small or large, is appreciated and is used for the purpose for which it is given. Income through the Co-operative Program is becoming increasingly important.

The Thanksgiving Offering of last year is approaching three hundred ten thousand dollars ($310,000.00) and is the largest ever given. This suggests that our people welcome an opportunity to support the "helping ministries" of the church which are close to the heart of our Lord.

Two estates have made possible the very fine buildings which have just been completed on the Mills Home campus. Income from the estate of Mr. and Mrs. Leland J. Sadler of Anderson, South Carolina, was used to build a library. An addition to the church was financed from the estate of Robert M. Idol and Lela Idol of Winston-Salem. These buildings will fill a most useful purpose in the educational and religious life of the Mills Home family.

There is a growing need for good Christian foster homes in which children needing this kind of care can live. Many families are finding much happiness and a great opportunity for service in caring for foster children. Thus, many boys and girls are privileged to grow up in Christian homes who otherwise would not

have this opportunity. Should you have an "extra measure of love" to share in this way the Homes would like to know of your interest.

The need for a home in the western part of the state, more adequately to serve the people west of the Blue Ridge Mountains, has been discussed in various meetings and conferences. The possibility of such a home is meeting with genuine interest and enthusiasm. Attention is currently being given to a suitable location.

Members of the Board of Trustees and members of the staff of the Children's Homes are committed to the task of maintaining a Christian program of child care — a program that will merit the undivided support and loyalty of our people and that will bring honor to our Lord. To that end it is our purpose to meet, as effectively as possible, the challenges of our day.

Respectfully submitted,
Rev. Ben L. Ray

This report was adopted.

9. This report was submitted by Rev. C. W. Bazemore to be included in the minutes. The work of the Biblical Recorder was discussed by Mr. Bazemore.

1965 REPORT TO THE ASSOCIATIONS OF THE BIBLICAL RECORDER

With serious moral issues facing us on every hand, Baptists need an accurate and comprehensive source of information. Secular papers cannot meet this need. These papers cover so many things — sports, society, business, obituaries, entertainment, national and foreign affairs, to mention a few. All too often religion is found only on a Saturday church page — if at all.

In the past year those who look to the secular press for coverage of Baptist events were disappointed on more than one occasion. The Southern Baptist Convention in Dallas and the Baptist World Congress in Miami Beach provide two examples. Even the best of the daily papers had no more than one article a day on these meetings. Some had none.

Where can Baptists get coverage of these and other significant meetings? The BIBLICAL RECORDER, their dependable medium of information for 132 years. Typical of its service, the RECORDER devoted special editions to these important meetings at Dallas and Miami Beach. Many people who read these issues said they felt like they were there. This is the RECORDER'S job—to be our eyes and ears when we cannot be there.

In many other ways the RECORDER serves its readers. For example, a bill was introduced in the 1965 General Assembly that would have legalized distilleries in our state. Editorials in the RECORDER aroused our people and they, in turn, contacted their legislators. The bill was soundly defeated. A liquor-by-the-drink bill can be expected in the 1967 Assembly. Again, the RECORDER will keep you informed. With so many papers now accepting beer and liquor advertising, the question arises as to how they can give unbiased coverage to liquor proposals.

Let's talk money for a moment: The average Baptist family spends at least 50¢ to $1.00 a week on newspapers with little complaint. And yet, for only 4c or 5c a week — the cost of a stamp — the RECORDER can come into a home. If your church does not have a RECORDER club, please see that one is organized. Only four people are needed to form a club. Better still, send the RECORDER to every family under the Church Budget Plan. Our Baptist people must be enlisted in the fight against evil. The best way this can be done is through the pages of the BIBLICAL RECORDER.

Respectfully submitted,
J. Marse Grant, Editor

10. Dr. Herman Iley, Secretary of the Sunday School Department reported on the Cooperative Program and presented the following report to be included in the Minutes.

COOPERATIVE PROGRAM REPORT — 1965

With the dawning of the 40th anniversary of the founding of the Cooperative Program, a new note of optimism and Missionary Advance is perceptible among Baptists!

It is now a well-accepted fact that the Cooperative Program of World Missions is the foundation for our total missionary endeavor — that of preaching, teaching, and healing in the name of Christ at home and abroad.

Even as we presently support the work of 2,000 foreign missionaries, 2,500 home missionaries, and more than 100 missionaries in North Carolina, Dr. Baker James Cauthen, Secretary of the Southern Baptist Convention Foreign Mission Board, has challenged us to send out 5,000 foreign missionaries in the years immediately ahead! This will mean greater sacrifice and greatly increased giving on the part of Baptists everywhere! "The Cooperative Program has given significant support to every state and Conventionwide cause — during the last sixteen years it has provided more than $100,000,000 for the Foreign Mission program of Southern Baptists. Truly, it **IS** the 'life-line' of our total cooperative witness and service."

We are witnessing our greatest advance in history with 52.27% of the southwide Cooperative Program dollar being allocated to Foreign Missions.

We are advancing in our concern for a lost world — more than 1,300 Baptist churches have set goals as a part of the Conventionwide emphasis to enlist 2,000,000 tithers by October, 1966. A free "Planning Kit" for tither enlistment is available from our state office for every church or pastor adopting a definite goal.

According to available records Mitchell Association during the past year gave a total of $12,031 through the Cooperative Program. Twenty-five churches did not share in world missions through the Cooperative Program. Let us determine **NOW** to be faithful in worship with tithes and offerings and share regularly through the Cooperative Program.

RECOMMENDATIONS

WE RECOMMEND:

1. That the churches participate in the TITHE . . . NOW! Emphasis.
2. That we engage regularly in prayer for cooperative causes and give special emphasis to prayer for these causes during the October Cooperative Program Emphasis.
3. That every church plan a Stewardship program in Sunday School Assembly following the fourth prayer service of the October Cooperative Program Emphasis. (Or any month suitable to the local church).
4. That the churches give regularly through the Cooperative Program.

11. The following committees were appointed by the Moderator:

TIME, PLACE AND PREACHER: Rev. R. M. Cassity, Deward Hefner, Rev. Frank Parsons.

RESOLUTIONS: Rev. Neils Larson, Rev. Lee Ayers, Rev. Erby McKinney.

12. The annual sermon was delivered by Rev. W. D. Hudson, pastor of Pine Branch Baptist Church. He read Scripture from the 44th Chapter of Genesis.

Adjourn for lunch.

THURSDAY AFTERNOON

13. The congregation joined together to sing "We'll Work Till Jesus Comes."

14. The afternoon devotion was led by Rev. Bobby Seagroves, pastor of Bakersville Baptist Church. His message was taken from Romans 10.

15. Visitors recognized and welcomed were: Mr. Gordon Maddry, Baptist Foundation and Rev. L. H. Hollingsworth, Chaplain Wake Forest College.

16. Summary of written report on Baptist College, presented to be recorded in Minutes by Rev. Hollingsworth.

REPORT ON BAPTIST COLLEGES

Last year our colleges enrolled 14,395 students. Of these 500 are volunteers for full-time workers, hundreds of graduates of North Carolina Baptist colleges return to the local communities to become active leaders in church and civic affairs. Moreover, college faculties, administrators, and students render valuable services to our churches by filling pulpits, teaching study courses and assisting in the development of stewardship, missions, and evangelism.

The Christian Education Day offers both an opportunity to learn about the colleges and a chance to increase financial support through the special offering. In 1966 the Christian Education Day theme will center around the contribution of Baptist colleges to denominational leadership. The North Carolina Baptist colleges will join hands with the General Board and other institutions and

agencies of our Conference in promoting a new five-year program of advance, which is expected to be presented by Dr. Perry Crouch at the November Convention.

17. Mr. Gordon Maddry, Secretary to the Baptist Foundation brought an oral report on the Baptist Foundation. This report was adopted.

18. The following report on the Annuity Board was given by Rev. Bobby Seagroves.

ANNUITY BOARD REPORT

The Annuity Board of the Southern Baptist Convention is now able to offer the ministers of the Southern Convention several different types of protection. The Protection Plan gives a three-fold coverage to the minister - retirement annuity, disability protection and widow protection. It also gives protection to the church should something happen to the minister. In this plan the church pays 5%, the member 5%, and the state convention 5% of the minister's salary up to the maximum of $4,000 a year. Most of the churches across the Southern Baptist Convention are now providing this protection for their ministers and the Church by paying the full 10% dues in the plan.

Since the beginning of the Annuity Board in 1918, almost 47 million dollars have been paid in relief and annuity benefits to the men and women of God who serve Southern Baptists. In 1964, alone, 3½ million was paid out to ministers and denominational workers or their families.

The Life Benefit Plan was inaugurated on October 1, 1964. It affords protection ranging from ten to thirty thousand dollars for death under age 46 with graduated benefits thereafter for dues of $3.34 to $10.00 per month. It is still open for membership.

The Health Benefit Plan is an all-inclusive program of hospital, surgical and major-medical protection which is now being offered. The target date for the beginning of this plan is October 1, 1965. Five thousand applications are required by September 1 in order to put this program into effect.

For further information on the types of protection available for your pastor, write the Annuity Board, 511 North Akard, Dallas

19. Rev. George Gouge gave the following report on the American Bible Society.

REPORT ON AMERICAN BIBLE SOCIETY

Getting God's word to the English speaking people is an important job, but the task of translating the Scripture into all the other languages of our world is tremendous. We, as Southern Baptists are not able at this time to do this great work, so it is a privilege for us to support the American Bible Society.

The following are facts and figures which will give us some idea of the tremendous work being done:

During 1963 the American Society distributed at home and abroad 1,431,996 Bibles, 2,341,442 Testaments, 14,489,238 portions, 16,141, 149 selections, a total of 34,403,825 Scriptures; issued to the Blind 58,594 Scriptures in Braille and on Bible record; assisted in the preparation of 130 language publication projects, 69 of which were completed in 1963; provided Scriptures in 444 languages and dialects.

Some parts of the scriptures have been published in 1,216 languages and dialects. There remain well over 1,000 unintelligible languages and dialects which still have nothing of the Bible. 231 languages have entire Bibles. 290 more have the entire New Testament.

Today more than 3,000 translators in 130 countries of all six continents are vigorously at work.

In 1963, Southern Baptist gave $167,498.15 to the American Bible Society. Southern Baptist ranked second in amount. Methodists ranked first with a gift of $172,771.44.

George Gouge

TRAINING UNION REPORT

These are exciting days for the ministry of Training Union. Many new ideas, new materials, and a new seriousness to our need for Christian training are coming to us through our Training Unions!

This has been a busy year for Training Union in the Mitchell Baptist Association. Your associational Training Union Director attended the State Briefing Meeting in High Point last August 28th. Your associational Training Union held a one night clinic for church officers and committees in the Bear Creek Baptist Church on October 20, 1964. The meeting had a good attendance with ten churches represented. "M" Night in our association was held in the First Baptist Church in Spruce Pine on December 7, 1964, our theme being, "That 'Men Shall Worship Him' ". In this "M" Night meeting the Mt. Carmel Baptist Church won the attendance banner and the Pine Branch Baptist Church won the efficiency banner. Associational Youth Night was held on March 20, 1965 in the Roan Mountain Baptist Church. We had 60 young people in attendance. The night was cold, snowy and sleeting as usual for our youth night. Our associational Training Union Tournament was held on April 4, 1965 in the Central Baptist Church in Spruce Pine. We had a fine group of Junior boys and girls to participate in the Junior Memory Work Tournament. The Regional (Region 9) Training Union Tournament was held in the Bakersville Baptist Church on April 15, 1965 with an excellent attendance of over 340 people present.

We have 23 Baptist Churches in our Association with Training Union and an enrollment of 1286.

May I urge each of you to study and stay up to date with current Training Union materials, especially **The Training Union Magazine.** This is essential in order to know what is going on in Training Union work.

Also, may I thank each of you for your prayers, assistance, and support in carrying on the Training Union work. I would like to express my appreciation to the associational Training Union officers that supported me with their presence in our meetings, their suggestions, and their unending patience. I beg you to support and use your Training Union as a means toward a more effective Christian witness through your local church.

W. M. U. REPORT

October 1, 1964 marked the beginning of a new era for Southern Baptist. The era will extend to October 1969, with an emphasis on "A Church Fulfilling Its Mission". With this years emphasis on Worship Woman's Missionary Union is equipped to help the church fulfill its mission through Worship. Our theme for this year has been "Worship Christ the King".

Our annual meeting was held with Berry Chapel Church. (This was the first time this church had entertained an annual WMU meeting). The guest speaker was Dr. Orville W. Taylor, who served as a missionary to Nigeria for seven years. 147 registered.

Quarterly meetings have been held with Associational officers. The first meeting was a planning meeting for the year.

Five Associational WMU officers attended a two day Leadership conference at Fruitland in September, and then held a leadership workshop for local workers at Central Baptist Church in Spruce Pine that was well attended.

We feel some progress has been made this year as we welcome two new Woman's Missionary Union's into our association. These are Snow Hill and Lily Branch. We are proud of these, but realize there is yet much to be done.

29. This report on The Baptist Foundation was given by Rev. Eugene Wilson.

THE REPORT OF THE N. C. BAPTIST FOUNDATION, INC.

In the widest sense Stewardship "is the maximum use of one's life for the glory of God and the good of mankind." The North Carolina Baptist Foundation, Inc., encourages the Stewardship of Current Income in systematic and proportionate giving from current income. The Foundation also encourages the Stewardship of Accumulated Possessions by single block giving at infrequent intervals from accumulated income during one's lifetime and/or at one's death. You will note that the Baptists have put the major emphasis on the Stewardship of Current Income. The Baptist Foundation seeks to put a stronger emphasis on the Stewardship of Accumulated Income. There are many ways that the Foundation assists a person in making his gifts through accumulated income such as: (1) by living trust, (2) by gifts annuity, and (3) by bequests in wills.

The Foundation also serves by meeting with you and your attorney upon your request in connection with preparation of legal documents where the Baptist Foundation is to be involved. The Foundation offers services to individual churches, associations, and to all of our Baptist agencies and institutions.

We have been emphasizing the making of Christian wills. We have two films, "God's Will Through Yours" and "Treasures in Heaven," on Christian will making, which are available to any organization upon request.

Respectfully submitted,
Eugene Wilson

30. The following report was given by Rev. Vernon McAbee:

THE HOME MISSION REPORT

Paul said, in 1. Cor. 16:9, "For a great door and effectual is opened unto me, and there are many adversaries."

Open doors and adversaries were a challenge to Paul. Opportunities and difficulties present a growing challenge to Home Missionaries today. Many evil forces are arrayed against the forces of righteousness in America.

At the same time many appeals are presented for help in Christian ministries. The entire world looks to America for Christian leadership, but America cannot give what she does not continue to have. In a very special way this is home missions most urgent hour.

Someone has well said, "The length of the cords abroad depends on the strength of the stakes at home." (Isaiah 54:2)

Missionaries serving with the home mission board and state Baptist conventions, number over 2,400 as of today. They work in all fifty states, Cuba, Panama, and Puerto Rico. The work in the Commonwealth of Puerto Rico, with seven missionaries assisting five churches and five missions, was to organize into an association in 1965.

FINANCIAL REPORT

More than $7 million came from Southern Baptists for home missions through the cooperative program, the Annie Armstrong offering, and other sources. For the first time in some years, the cooperative program reached the advance stage (when all funds received above a given amount are divided between the Foreign and home mission boards), and the home mission board received $426,070.00.

The **increase** in **crime,** the high level of **drink** and **divorce, racial tensions,** and strife between management and labor were cited by **Dr. Rutledge** as reasons for an **increased spiritual** emphasis. Despite **the largest mission force ever,** he said, "there are urgent personnel needs in language missions, metropolitan missions, and pioneer missions and the parallel need for funds and other resources to make the work of these missionaries effective."

The help of every church in our association is needed. Has your church given this year?

Also praying, preaching, teaching, and giving the people an opportunity to be missionaries here in North Carolina is a golden opportunity for all of us.

Respectfully submitted,
Vernon McAbee

37. The following report on Christian Literature was made by Rev. Lee Ayers.

REPORT ON CHRISTIAN LITERATURE

Whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things." (Phil 3:4)

What a man thinks about determines what he is. Jesus said so. Psychologists have said so. Human experience proves it so, and Paul knew it when he wrote these words to the Christians

at Philippi. What young people read will determine what they think.

Poisoning the minds of young Americans with smut and filth is one thing that could help to destroy this nation. We see so much offered the young reader that is not fit for his mind to feed upon. Men who operate business establishments would do well to remember that hundreds of school children, who are easily impressed, enter their doors every day. Continued display of questionable literature arouses their interest in such. Parents should be very cautious about the type of reading material in the home. The life and character that is being moulded will be the product of the substance pondered over during youth.

I am proud to say that the Southern Baptist denomination offers some of the best publications to be obtained: "Home Life," "The Commission" our Foreign missions magazine and the "Home Missions", our state paper, "The Biblical Recorder" and "Charity and Children".

As Baptist, and as parents, let us pledge our efforts to curb this flood of mind poisoners and always keep before our young people only the literature that will help build their moral and spiritual life.

Respectfully submitted,
Lee Ayers

38. The following report was read by Rev. Erby McKinney in the absence of Mr. Walter Greene, historian, who had prepared the report.

REPORT OF HISTORIAN — 1965

In 1848 the French Broad Association was composed of churches scattered over north Buncombe, Madison, and Mitchell counties. In 1849 it dismissed eleven of these churches, with 666 members to form the Roan Mountain Association, which is now known as the Mitchell County Baptist Association. All of these churches, except Grassy Creek and Roan Mountain, had belonged to the Big Ivy Association prior to 1849. They were soon joined by seven other churches, making a total of eighteen. From these small beginnings the Mitchell County Baptist Association has grown. It now has a total of thirty-seven churches, with 7,615 members.

The following item is a quotation from the minutes of the First Roan Mountain Association, held at Double Island Church in 1849. Your Historian has reproduced this article just as it was written at that time.

MINUTES OF ORGANIZATIONAL MEETING OF ROAN MOUNTAIN BAPTIST ASSOCIATION MEETING

"Minutes of the First anniversary of the Roan Mountain Baptist Association held with the church at Double Island Meeting House, Yancey County, N. C., October the 5th and the days following 1849.

"A sermon introducing to business was delivered by Elder

Moses Peterson from John the first chapter and 29th verse. After a short recess the delegates convened in the hour. Prayer by Elder Stephen Morgan.

"On motion Elder Stephen Morgan was called to the chair and Lewis Palmer clerk until the Association was organized . . .

"1. Read letters from 18 churches and enrolled their delegates' names.

2. Elected Elder Moses Peterson moderator and Elder S. M. Collis clerk.

3. Adopted the rules of Decorum of Big Ivy Association to govern us in all matters of order and discussion.

4. Called for correspondence and received from East Tennessee Association a letter by the hand of their messenger Elder Wm. Wall, who took seat with us.

5. On motion invited ministering brethren to seats with us, whereupon Elders Stephen Morgan, Samuel Byrd, and Robert Patterson being present took seats.

6. On motion agreed to adopt the French Broad Association Constitution.

7. Appointed Elders Leonard Buchanan, Jacob Silver, I. Rev. James W. Ayers, and Brother Samuel Baker with the Moderator and Clerk, a committee of arrangements with leave to invite correspondents to sit with them, and ordered to report tomorrow morning, also Wm. Deyton, David Byrd, Ezekiel H. Honeycutt, a committee of finance to report before the association rises adjourned till 10:00 tomorrow. Prayer by Elder Robert Patterson."

Our historian for last year referred to the decrease in the population in Mitchell County and other W. N. C. counties. This, of course, affects our churches and Sunday Schools. The coming of new industries will remedy this situation. Our young people are our most important asset.

Here is a recent quotation from Rev. Billy Graham: "I am making a special appeal to the young people. The young people are the great hope for the future. I find them more religious than in my youth."

The church has a profound effect on our civilization and our way of life. A famous judge once said that were it not for the Christian Church and its influence, it would be necessary for the courts to run every day in the year, Sundays not excepted, in order to dispose of the criminals. Assuming that this is true, is not the Church a paying proposition if considered only from a financial standpoint?

The work of the Church is a never-ending process, an unfinished task, much the same as it was in the days of St. Paul.

Let us learn a lesson from ancient Rome. The Empire fell an easy prey to the barbarians not because of strength from without but because of weakness and decay from within. The Church survived the Empire and is still going strong. It is destined not to failure but to success.

The past is the lesson for the present and the hope of the future. Let us all strive to do our part.

Respectfully submitted,
Walter S. Greene, Historian
